TRIATHLON AUSTRALIA MEMBERSHIP

Every competitor is required to hold a Triathlon Australia Membership or one day race licence membership. Proof of membership must be shown at check in.

It is compulsory for all competitors to check in during the nominated Competitor Check-in times. Please see the Event Schedule for Check in days/times. NO competitor packs will be sent in the mail.

All bike racking will occur on Sunday morning, so please allow yourself sufficient time to find a park and make your way to transition. Racks will not be numbered; it will be a first in first served basis. Full details are outlined in this Guide.

TEAMS CHECK IN: only one team member is required to check-in; They must ensure that all team member information is correct and up-to-date at check-in. Photo ID and Triathlon Australia Membership or proof of one-day race licence must also be provided.

Please note: It is illegal for another competitor to race under someone else's name. Penalties include suspension from your Triathlon Australia Membership and disqualification from the event.

WHAT YOU WILL RECEIVE AT CHECK-IN

- Competitor ID wristband
- Race Bib – compulsory on the run
- Swim Cap
- Race number tattoos
- Helmet Sticker (to be placed on the front) and bike sticker.
- Timing chip

COMPETITOR ID WRISTBAND

Must be worn at all times after receiving at check in and will allow you access to competitor only areas including transition and finishing line.

TIMING AND TIMING CHIPS

Please ensure you bring your timing chip with you on race morning. If you forget, there will be a \$50 charge for a replacement and you must see the Information/Registration Tent prior to race start and a new chip will be issued. If you do not start or finish the race, you must return your chip to the Information Tent. If your timing chip is not returned or is lost you will incur a \$50 charge for a replacement. It is important that all timing chips are either returned and/or recorded to ensure all competitors are accounted for.

BIKE CHECK-IN

Once you have checked in and received your Competitor Race Pack, you must affix your bike sticker to your bike and you must wear your Competitor ID wristband – both provided in your Race Pack. If you do not have either of these, you will not be allowed into transition. Marshalls will be available to answer any questions at the transition area.

COLORBOND® STEEL TRIATHLON FESTIVAL

TRANSITION AREA

The transition area will be located in the main carpark alongside the Airlie Beach Lagoon. All bike racking will occur on Sunday morning prior to race start, please ensure you read the Event Schedule for Bike Racking times. You must place your gear on the RIGHT HAND side of your bike. Please ensure you have your helmet on and secured (with helmet number on the front) as you approach the transition area to avoid delays. You must also wear your corresponding numbered Competitor ID Wristband, if you do not have either you will not be allowed into transition. Further details in regards to the transition area are included in the 'Transition' Section of this Guide.

PRE-RACE BRIEFING

It is compulsory for all competitors to attend the Pre-Race Briefing, at the swim start. It is the competitors responsibility to attend the pre-race briefing.

BIKE AND HELMET CHECKS

All competitors are responsible for their bikes and helmets being in a safe working order. We recommend that competitors have their bikes serviced prior to racing. Triathlon Australia Officials will inspect each competitor's bike as they enter the Transition Area for bike racking. Please ensure:

- Tyres are in reasonable condition
- Bike has at least one bottle cage
- End plugs are on handle bars
- Brakes in working order
- Compliance with triathlon Australia Race Competition Rules

HELMETS are compulsory and must also be worn as you enter the transition area on race day. Please ensure you have your helmet on and secured as you approach the transition area to avoid delays.

Helmets are to meet the following criteria:

- Must be approved by a recognised testing authority (e.g. Australian Standards Certified).
- No alterations to any part of the helmet are allowed.
- Present no physical damage

BAG COMPOUND

A bag compound will be available to all competitors located alongside the registration area. Competitors must clearly mark their own bag with their race number. Please DO NOT leave any valuables in the bag compound. It is the competitor's responsibility to collect their bag prior to 1pm on race day.

BIKE MECHANICAL SUPPORT

There will be limited bike mechanical support available to competitors thanks to Corry Cycles. It is expected that all competitors carry their own bike repair kit supplies on race day as there will be limited mechanical support on course. It is recommended that all competitors have their bikes serviced and checked over by a qualified mechanic prior to race day.

AID STATIONS

There will be 2 aid stations on the run course located at approximately 1km apart.

The run aid stations will provide:

- Water
- Endura Electrolytes
- Endura Energy Gels
- Endura Bars

COLORBOND® STEEL TRANSITION

T1 - Swim to Bike

At the Swim Exit, you will exit the water and pass over a timing mat. You will head into the transition area to your bike rack.

You must then:

- Discard swim gear (ie swim cap, goggles, wetsuit) in your designated area.
- You must not touch or interfere with another competitor's equipment in transition.
- Helmets must be on and fastened before removing your bike from the rack.
- Your helmet must always remain securely fastened while you are in control of your bike – this includes running to/from transition to the mount/dismount lines.
- You must not mount your bike until you pass the designated mounting line.

T2 - Bike to Run

- Competitors must dismount their bike before the designated dismount line.
- Competitors must leave helmet secured and fastened until the bike is racked.
- Competitors must rack their bike back in the same position after coming back from the cycle leg.
- Competitors must follow directions from marshals and TO's and/or signage in the transition area.

TEAM TRANSITION

All Team Competitors must have their Competitor ID Wristband on to access the transition area. Team swimmers shall not remove their timing chip until they reach their team cyclists in the transition area. The team cyclist must remain in their position in the transition area until the swimmer has handed over the timing chip and it has been securely attached to the LEFT ankle of the team cyclist. Once the team cyclist has completed the bike leg, they must rack their bike before the timing chip can be removed and handed to the team runner. Team runners must wait at the team cyclists bike rack position until this hand over occurs. NB: Team runners will only be able to access the transition area once all competitors have headed out on the bike course. All team members must also ensure that the transition area remains as clear as possible during the race to ensure the safety of all competitors.

Swim and bike team members can run down the finishing shoot with their runner.

COLORBOND® STEEL TRIATHLON

GENERAL RACE RULES

- It is the competitor's responsibility to know all aspects of the swim, bike and run courses.
- Competitors are expected to follow the directions and instructions of all race officials and public authorities.
- Medical personnel have final authority to remove a competitor from the race if the competitor is judged to be physically incapable of continuing the race without risk of serious injury or death. Medical transport of any competitor will result in the competitor being classified as Did Not Finish (DNF).
- Fraud, theft, abusive treatment of volunteers or others and acts of poor sportsmanship are grounds for immediate disqualification. The Race Director has final authority on any disqualifications of this manner.

Triathlon Australia Race Competition Rules can be found here:

<http://www.triathlon.org.au/Assets/Triathlon+Australia+Digital+Assets/2016+2017+TA+RCR+Updated.pdf>

CONTINGENCY PLANS

A Contingency Committee has been established to consult, make decisions and manage the implementation of any contingency plan.

The Whitsunday Tri Club reserves the right to alter the course, start time and/or race format without notice because of circumstances outside the control of the organiser and under the direction of sponsors, councils, police or other organisations that are associated with the event.

The Contingency Committee will make their decision should condition's such as, but not limited to, any of the following be either forecast or prevail: Extreme temperature or Extreme weather conditions.

The Contingency Committee may consider implementing one or more of the following strategies if deemed necessary in the interests of competitor safety:

- Shorten the distance of one or more of the legs
- Start the event earlier or later
- Deletion of a leg to allow for a Duathlon (extreme cold or dangerous water conditions) or Aquathlon (extreme heat)
- Cancel the event.

PROTESTS AND APPEALS

Any competitor who wishes to submit a protest or appeal must do so in person to either the race director or race referee, both of whom can be contacted through officials at the Race Venue. Protests must be made within 30 minutes of the protester's finish time at the end of the race. Appeals must be submitted to the Technical Delegate within 30 minutes of the Race Referee's decision being formally advised.

RESULTS

Results will be available via our website: www.airliebeachtriathlon.com.au

VOLUNTEERS

Our volunteers are a friendly bunch of triathlon supporters who have kindly donated their time to ensure the success of this event and the safety of our competitors. Please give them a shout-out and show your appreciation around the course whenever possible. And have a safe and enjoyable race!
