Please note that USAA's international wire offices are closed on weekends and federal holidays. - For an international wire, you need to provide the amount in U.S. dollars or foreign currency, the purpose of the payment, the recipient's bank details, and the name and address of the recipient.. To send or receive money with USAA wire transfer, you need to have a USAA checking or savings account, a valid email and phone number, and enough funds in your account. You also need to verify the recipient's name, address, and bank details before initiating the transfer. For domestic wire transfers, you can send up to \$10,000 per day, \$25,000 per month, and \$100,000 per year. The fee is \$20 per transfer. If you need to send more than \$10,000, call 210-531-USAA (8722) or 210-531-8722. The transfers are usually processed on the same day if received by 4 p.m. CT on weekdays. Otherwise, they are processed on the next business day. For international wire transfers, the fee is \$45 per transfer. The transfers may take up to 15 days to complete, depending on the destination country and bank. The limits are the same as for domestic transfers. You can track your wire transfers online by logging in to your USAA account and selecting "Transfer Funds", then "Wire Money" and "View Wire Activity". You will see a list of your transfers with the date, amount, recipient, and confirmation number. You can click on the confirmation number for more details. You can contact USAA for any questions or issues related to wire transfers by phone, email, chat, or social media. The phone number is 1-800-531-8722 and the address is 10750 McDermott Freeway, San Antonio, TX 78288-9876. You can also find the email address on their website. If you want to send or receive money from your USAA Federal Savings Bank account, you have several options. One of them is wire transfer, which is the fastest and most secure way to transfer money. You can receive wire transfers from within the USA (domestic) or from abroad (international). To receive a domestic wire transfer, you need to provide the sender with your USAA routing number and account number. To receive an international wire transfer, you need to follow these steps: - Ask the sender to wire the money to Mellon Trust of New England, a correspondent bank that works with USAA. - Provide the sender with the following information: - Mellon Trust of New England's swift code: MELNUS3P - Mellon Trust of New England's routing number: 011001234 - USAA Investment Management Company's address: 9800 Fredericksburg Road San Antonio, TX 78288 - USAA Investment Management Company's account number: 56-0944 - Your name, address, and account number as the final beneficiary - Be aware of the fees and exchange rates that may apply to your wire transfer. We suggest using services like TransferWise to get the best rates and save money. For more information about USAA, you can check out these articles: - USAA Verify: How to Complete Your Identity Verification at USAA - Death at USAA: How to Deal with the Loss of a Loved One and Avoid Scams - Active&Fit USAA: A Fitness Program for USAA Members If you have any questions or need assistance, you can contact us by phone, chat, email, or social media from 8:00 a.m. to 12:00 a.m. ET, seven days a week. You can also leave a message or visit our website outside these hours.. USAA offers domestic and international wire transfers to its customers. Wire transfers are faster and more expensive than ACH transfers. To receive a domestic wire transfer, you need to give the sender your bank name, routing number, account number, name, and address. The bank address is 9800 Fredericksburg Road San Antonio, TX 78288 for all USAA accounts. USAA does not charge any fee for incoming wire transfers, but charges \$45 for outgoing international wire transfers and \$20 for outgoing domestic wire transfers. If the wire transfer involves currency conversion, you may get a lower exchange rate than the market rate. You can use services like TransferWise to save money on wire transfer fees and exchange rates. To send a wire transfer from your USAA account, you need to fill out a Wire Transfer Request Form and submit it to any USAA branch. You also need to keep the Wire Transfer Disclosure for your records. Wire transfer requests must be received and confirmed by USAA before the cut-off time. The cut-off time for international wire transfers is 3:30 p.m. CT and for domestic wire transfers is 4:00 p.m. CT. Requests received after the cut-off time will be processed the next business day. If you request an international wire transfer after the cut-off time, the exchange rate will be based on the next business day's rate.
