

## Clift Surgery PPG

### Meeting

Monday 15 March at 1pm

**Attendance:** CB, KO, SH, JW, JK, AK, JC , MD,

**Apologies:** NF, AS

**Minutes: Approved**

1. **Covid update – CB.** No news. Vaccinations going well. No news about vaccinations going to general practice yet. No volunteer help needed at the moment at HCH. Matt Hancock sent letter of congratulations to Hampshire Court Hotel as one of the best performing vaccination centres. All working smoothly and with a really positive attitude and good humour.
2. **Moving forward.** Resumption of walks maybe in late June. Diet classes continuing on Zoom. Face to face meetings miss the food tasting but Zoom works well otherwise. Frailty classes on back burner. Carers Week is needs planning, as a large number of carers have been identified during the past year. Large numbers of volunteers are available and will be notified when we require help. JK suggested naming them “supporters”.
3. **Website – SH and JW.** JW has built a new community web site called Bramley Village Hub <https://bramleyvillagehub.com/>. This site will be home to the PPG and other local organisations to centralise local information. JW demonstrated how the web site will work. The PPG website link need to be changed by Billie as soon as possible. We need to make sure the language is accessible.
4. **Community Co Ordinator and Mental Health.** SH is liaising with the relevant people and will make sure that information and resources are uploaded and shared as they become available. The information will be uploaded onto the new web site as soon as possible.
5. **Bramley Volunteer Drivers.** They have offered to collect prescriptions, if required.
6. **AOB:**
  - New web site is being planned for the PCN.
  - MD will send HCC mental health handout for the new web site.
  - Logo competition. Keith showed the entries. Votes to Keith by next Monday.

**Date of next meeting: 12<sup>th</sup> April 2021**
