### Epitome I: Original Sin

We believe, teach  
and confess that  
there is a  
distinction between  
man's nature and  
original sin, not  
only when God  
created man pure  
and holy and  
without sin, but  
also as we now have  
our nature after the  
Fall.

### Epitome I: Originalische Sin

Wir believe, teachen und  
confeßen daß der ist ein  
Distinktion between Der  
Natur des Mann und  
originalische Sin, nicht  
only wann Gott kreated  
Mann pure und holy und  
mitout Sin, aber also as  
wir now haven unser  
Natur after der Fall.

**Yes! Gone are those needless months of struggling to learn those Fraktur letters!  
Gone is the need to learn a language that even the Latins stopped using! Keep  
speaking American, and pretty soon we'll even leave English behind!**
