

New! From Bernetneßschriften™

JUST IN TIME FOR EASTER!!!

Spring is here, the crocuses (croci?) have sprouted, and the high point of the church year is upon us! All over the world, it leads ministers to thoughts of taking Easter Monday off, having the vicar do the early sunrise service, and getting a free vacation by leading members on a trip. Not to be outdone, we at Bernetneßschriften™ are proud to announce

The Bernetic Holy Land Tours™

Yes! Travel with us through Pasadena and thrill to the experience of a service at the Crystal Cathed—(whoops! Ha-ha! Wrong target audience!) Uh, Travel with us through Palestine and see great sites of biblical history!

We offer three different packages:

1. La Grande Tour [τουρ δε φορς]

Two weeks of roaming and relaxation while staying at the famous St. Catherine's Monastery & Pub, where the motto is "Come one, come all, especially if you're single, female and doctrinally sound." From St. Catherine's, the holy lands are readily available for your exploration. Enjoy the best of monastic cuisine, along with food to enjoy between sips. (NOTE: trip may be longer if you are single, female, doctrinally sound and discovered.)

2. La Quick Tour [θε φοστ λαρνε]

A self-guided trip for those who want to visit the holy lands quickly and without ever setting foot in them. Simply strap yourself into the backseat of an SR-71 Blackbird (tourist provides), gaze at the panorama unfolding below and plug into the Bernetic Self-guided Audiocassette Tour, the entire transcript of which is "You are now approaching the holy lands ...[pause]... We hope you enjoyed your trip; come again soon." Length: 8.2 seconds.

3. La T.I.M. Tour [θε μυνδ'ς αι]

For those who want to see it all without leaving the comfort of their armchair, Bernetneßschriften™ is proud to offer the Holy Land Total Implanted Memory™ caplet. Experience present-day Palestine or transport back to biblical times; you can even insert yourself into the story! ["Excuse me," you call toward the tent. "Mind if I keep this tent peg and jar as souvenirs?" A woman comes out of the tent, the T.I.M.-chip auto-caption feature identifying her as Jael. "Shhh," she whispers, "Someone's sleeping inside. Take the jar if you like, but I could really use a tent peg right now...."]

Act now, and whatever trip you choose, receive as a gift from us a 3-hour montage of slides to make your friends and congregation watch when you get home!

So, if travel's your game, don't sweat the small stuff! Leave it to Bernetneßschriften™
