Turn around time for rear support wheelchairs is approximately 7 days. Quad Support or Front Support Wheelchairs is usually 2 weeks.

This time may vary based on the number of chairs ordered in to assure quality of our products.

Email for expedited shipping options.

Wheelchairs are shipped via UPS Ground within the continental US. It is typically 2-5 days to most locations using UPS Ground services. Shipping for other items and small wheelchairs is via postal Priority Mail. Please call for a quote on faster services and for prices outside the US. If you order a wheelchair, any other items ordered, can be shipped in the same box at no additional shipping costs.

* PLEASE NOTE: Shipping rates provided are an estimate. A final rate will be provided with your invoice based on your location. Thank you for your understanding of the fluctuating nature of shipping rates.

Refund Policy

New Wheelchairs come with a 30 day trial period. If for any reason you decide to return it during the trial period, you may do so for 70% of purchase amount, not including shipping. The 30% deduction covers all non-reusable items which are yours to keep such as the saddle support sling. Front end extensions are not eligible for refund.

Refurbished Wheelchairs have the trial period but are only eligible for a 50% refund if returned at the conclusion or during the 30 day trial period.

Returns for other items must be authorized and are subject to a restocking fee— any item that is worn and returned in a condition other than it was received in will not be eligible for a refund.
