INCENSE
FROM THE
HOLY AND GREAT MONASTERY OF VATOPAI
MOUNT ATHOS, GREECE

“LET MY PRAYER BE SET FORTH BEFORE THEE
AS INCENSE AND THE LIFTING UP OF MY HANDS
AS THE EVENING SACRIFICE”.

PSALM 141

INCENSE FROM THE HOLY AND GREAT MONASTERY OF VATOPAIDI MOUNT ATHOS, GREECE

Our incense

Incense making has been a part of the monastic handiwork for thousands of years. Incense is used, especially by monastics, multiple times a day throughout the numerous services.

The daily use of incense at Vatopaidi not only allows for the lifting up of prayers, but provides the perfect atmosphere for continuous testing and quality control of all the 20 fragrant aromas used in the daily life of the brotherhood.

Only the highest available quality fragrances are infused into the incense which is imported from the best sources in Africa without any impurities and is packaged with pure magnesium powder, no fillers.

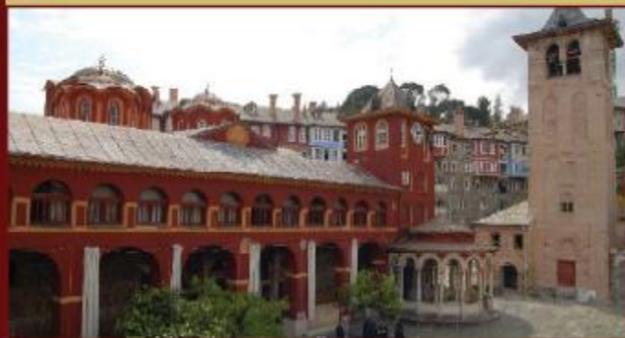

Perfect for:

- Daily use in church services.
- Daily blessing of the home and family icon stand.
- Donations to the church.

History of The Holy and Great Monastery of Vatopaidi

Vatopaidi monastery dates back to the 4th century with foundations from Emperor Constantine and Theodosius the great. After 600 years of idiorhythmy, the monastery was transformed back to a coenobium in 1991. To date, the brotherhood is the largest on the Holy Mountain, and continues to thrive as a leading spiritual epicenter.
