WOW, SO MANY THANK YOUs THIS MONTH!

We saw lots of new helpful faces the month, and your efforts are very much appreciated!!

Thanks to Lynn and Gordon Fuell for continuing to sell leftover yard sale items online, updating the marquee, and turning in the aluminum cans. Thank you to the following who have helped put the solar blankets on the pool at night: Dean Neubauer, Matt & Jennifer Warnstedt, Darrin and Alisha Ambrosino, Logan Beers and friends, Wendy and Eric Noel, Nicole Bentley, and Marcos Nunez. Thanks to the Noels and Beers for closing up at night. Many thanks to Michelle Beers, Eric and Wendy Noel, Dean Neubauer, Lisa Serino, Gordon and Lynn Fuell for all your help putting out the bulky pickup. Kiersten Jones volunteered to help with movie nights with the Corcorans ,who brought their bluetooth speaker and Fire stick on Friday night.

Thank you to Dean Neubauer for opening the front door for members and putting out and bringing in the garbage barrels. Gina DeLaOssa, you are the best for cleaning the bathrooms and getting the office cleaned up for swim meets.

UPCOMING EVENTS

FAMILY POT LUCK POSTPONED TO JUNE 14TH

We are moving our first family potluck to June 14th due to organizing swim lessons and getting ready for swim meets. The potluck will start at 4:00 pm, and we will eat at 5:00. Because of the hot weather, we feel a lighter dinner would be best, so we are having a salad potluck. Some suggestions for salads are chicken, tuna, pasta, Jell-o, and taco salad. Please sign up on the bulletin board with the type of salad you plan to bring. We will supply beverages.

This is an opportunity for families to get to know each other. Of course, there will be plenty of swimming. We will also put out Cornhole, Connect Four, and Axe Throwing games.

SWIM LESSONS

if you haven't already registered your kids for Session 2 swim lessons, now is the time to get them registered. Lessons will begin June 16th. The cutoff date for registering is Saturday, June 14th. Go to terradelsolpool.org to sign your kids up. You can sign up for Session 3 as well. Each session includes 8 half-hour classes, Mondays, Wednesdays, and Fridays. We have lessons in the morning (10:45am-12:15pm) and extended evening classes 5:00-7:00 pm. Skill assessments will be performed at the beginning and end of each session to confirm your child's swimming ability and progression. Lessons are free for members and \$50 (per session) for non-members. If you need payment assistance or know people who do, you can apply for a scholarship on our website.

FRIDAY NIGHT MOVIES

Every Friday night we will project a movie for pool-side fun. Our snack bar will be open, including drinks, ice cream, and pizza. Non-member guests are \$1.00. Movies will start at apx. 7:30 pm. Please let us know what movies you would like to see on the bulletin board sign-up sheet.

4TH OF JULY CELEBRATION

Celebrate the 4th of July with us! Our party this year includes all of our regular activities, plus a 50/50 raffle. We will begin activities every hour, with prizes, music, and a great snack bar.

This year, the snack bar will include hamburgers, hot dogs, bratwursts, chips, nachos, sodas, and plenty of water. Members, please sign in. Non-members are welcome for a fee of \$2.00 per person.

Here's this year's 4th of July agenda:

10:30am	Bicycle Parade around the school
11:00am (SHARP!)	Goldfish Dive
12:00 noon	Dive for Cash
12:30 & 1:30	Water Balloon Toss
2:00 pm	Inner Tube Races

3:00 pm Family Relay Races

*This year we have purchased rubber fish (not live fish) for younger children in the wading pool, with a special prize fish. The prize will be a bowl with a live goldfish and fish tank.

Volleyball, music, and swimming are ongoing. Some of our rules and regulations will be relaxed during the party (such as inflatables), but starting July 5, everything goes back to normal. We will close at 5:00 p.m. so the pool can be shocked and ready for the next day.

We are asking for volunteers to help with the games and events. We will need help setting up, cooking, snack bar, water balloon leader, and cleanup. We have set up a Signup Genius for volunteers. If you indicated on your membership forms that you will volunteer, you are automatically signed up. Please let us know if you are no longer able to help.

We would greatly appreciate donations of a 12-pack of soda, baked goods for the snack bar, or ice! We will watch for soda sales and post the best prices in the hallway. Sodas for the 4th can be dropped off in the office beginning June 30th. Baked goods can be brought the day of the celebration.

USAGE OF SUNSCREEN:

Please apply sunscreen before coming to the pool to give your skin time to absorb it. Waiting until you get to the pool results in most of the sunscreen washing off in the pool, clogging the filters, and leaving greasy deposits on the tile.

Here are some sunscreen tips from the American Academy of Dermatology:

- If you wait until you are in the sun to apply sunscreen, your skin is unprotected and can burn. Use enough sunscreen. Most adults need at least one ounce of sunscreen, about the amount you can hold in your palm, to fully cover all exposed areas of your body. Rub the sunscreen thoroughly into your skin.
- Sunscreens are designed to remain at original strength for up to three years. This means that you can use leftover sunscreen from one year to the next. Some sunscreens include an expiration date — a date indicating when they're no longer effective. Discard sunscreen that is past its expiration date.
- Sunscreens should be applied 30 minutes before sun exposure to allow the ingredients to fully bind to the skin. Reapplication of sunscreen is just as important as putting it on in the first place, so reapply the same amount every two hours.
- Skin cancer also can form on the lips. To protect your lips, apply a lip balm that contains sunscreen with an SPF of 30 or higher.
- Reapply sunscreen approximately every two hours, or after swimming or sweating, according to the directions on the bottle.

2025-2026 MEMBERSHIP ORIENTATION

Thanks everyone for attending our 2025 membership orientations. We hope it was helpful. There was one thing that we did not mention: the pool belongs to its members. That is one of the reasons we are asking folks to pitch in and help. We will post some items that you may help with. Now, if anyone would like to help clean the tiles around the pool, we will leave some sponges in the lost and found rack. The oil from sunscreen seems to cling to the corners of the pool.

We said we would keep the sign-in sheets, envelopes, waivers, etc. in the desk drawer as you enter the pool. Well, there is too much stuff for that drawer, so we put a banker's file box on the desk where you will find those items.

WEBSITE

Julia Denton has been working on the website. If you encounter any problems or have recommendations for improving our website, please contact Julia by email at joodenton@gmail.com.

LOST AND FOUND

We have a lost and found rack just outside the office. We have collected goggles, shoes, clothes, water bottles, and towels. Take a look if you are missing any of those things.

LAP SWIM

Lap Swim is Monday, Wednesday, and Friday at 5:15 am until swim team is over in mid-July. We realize this is very early, so if there is enough interest, we would be happy to have an evening Lap Swim Monday, Wednesday, and Friday from 8:00 pm to 9:00 pm. We will have a sign-up sheet on the bulletin board in the hallway.

WATER AEROBICS

Water Aerobics are Tuesdays 10:45 to 11:45 and Saturdays 9:00 am to 10:00 am.

TRAVEL DEALS

Debe Campbell works with Archer Travel Services, Inc. You can contact her at evotravelagent.com/balidewi or call her at 928-368-7519. See the flyer below for hotel savings.

POOL ACTIVITIES

If you have an activity you would like to have, please let us know. One of our members would like to have RC races. We will have another list on the bulletin board for your suggestions. Some ideas may be crafts (e.g. cross stitch, knitting, crocheting) teen night, volleyball tournaments, or a book club. If you make the suggestion, we would love your help getting it started.

VOLUNTEER POOL OPERATORS CLASS

If anyone is interested in learning how to keep the pool in good operating condition, please contact Pat Smyser. We need volunteers to take the class so they can help while the current operator is on vacation. The class is \$30, which we will reimburse you for. The class is from 9:30 to 1:30 at the Pima County offices on south Country Club. To register for a class, go to <https://www.pima.gov/2053/Food-Pool-Certification>.

WATER BOTTLES FOR SALE

We have metal water bottles with our pool logo for sale for \$15.00. We have two designs of 20oz. bottles and two styles of bottles. We will sell the bottles at the at Orientations.

ROCK PAINTING

We will start Rock Painting on Sunday mornings. We have not set a schedule yet, but check the website and newsletter for updates.

ALUMINUM CAN RECYCLING

Please bring your aluminum cans to the pool so we can recycle them! Each year we earn enough from recycled cans to purchase at least one bucket of chlorine.

VOLUNTEERS

PUMP ROOM HELP. We would like to have a backup handyman. Eric Noel has been doing the repairs in the pump room for many years and we would like to have someone else who could fill in when he has family plans. We would like someone able to repair leaks in the pipes.
