**“These things I have written
to you who believe in the name
of the Son of God, that you may
know that you have eternal life,
and that you may continue to believe
in the name of the Son of God**

1 John 5:13

SEEDS FROM THE SOWER

Michael A. Guido, D.D.
Metter, Georgia

Bud Wilkerson, a nationally respected football coach was once asked by a reporter, "Coach, how much has football contributed to the nation's desire to be physically fit?"

Looking at the reporter, he said, "Nothing - not one thing."

Surprised, the reporter asked, "Would you care to elaborate on that?"

"Certainly," said Wilkerson. "I define football as twenty-two men on a field desperately needing rest and forty-thousand people in the stands desperately needing exercise."

The writer of Psalm 96 must have thought the same way the coach did. "For great is the Lord and most worthy of praise." Here the Psalmist is talking about those who are in the stands cheering and shouting about His greatness. But before there was cheering he wrote of those who were taking God's message of salvation to the lost and dying - those who were on the "field" involved in a battle for the souls of mankind - the ones who were "declaring God's glory and marvelous deeds" and "sharing and proclaiming His salvation!"

John R. Mott once said, "If a man has religion he must do one of two things with it. If it is false, he must give it up. And if it is true, he must give it away."

Imagine how loud the shouts would be in heaven if we had more people on the field battling for the souls of the lost and dying? We must give it away.

5 PROMISES; REDEEMED FROM SICKNESS IN CHRIST

This isn't wishful thinking...
It's what God's Word says.

1. "By His stripes we are healed."
Isaiah 53:5
2. "Christ has redeemed us from the curse..." Galatians 3:13 (Sickness was part of the curse)
3. "I am the Lord who heals you."
Exodus 15:26
4. "He forgives all... and heals all your diseases." Psalm 103:3
5. "I will restore health to you..."
Jeremiah 30:17

I declare:
I am redeemed from sickness.
My body is under the authority of Jesus Christ. Healing belongs to me.

A CHICKEN IN EVERY POT BY GARY TOOLE

You dont hear that much now, but years ago that was a very popular political slogan. The politicians running for president would promise, A chicken in every pot! Well, now its I will make America great again! Forget the chicken in the pot! Like always and like the old saying, They will promise you the moon and hand you a moon pie! Man is very slack concerning his promises. Not like Jesus. 2nd Peter 3:9 says that the lord is not slack concerning His promises. His promises are like the stars. The darker the night the brighter they shine. But man will tell you anything and sell you anything if you listen to him long enough. So many are like the American Indian use to say that the white man speaks with forked tongue and I might add that so many have a loose unbridled tongue. Loose at both ends. Babbling and blabbing on and on day and night. I know their tongue is glad when they go to bed. A lot of the politicians will say, I will do this and I will do that and I will do the other, but when its all said and done the word I turns to you. You do this and you do that and you do the other. So many are looking to man to solve their problems or woman, but they better be looking to Jesus. The author and finisher of our faith. I was talking to a lady about the real good old days back when America truly was great because most folks recognized God and went to church and lived good moral lives. Now they were not perfect but they had great faith, great love and respect for God and the church. She said, that she didnt know how they made it, because there was very few doctors around and no hospitals hardly and way to far to go in a mule and wagon if you were sick and so they stepped out on faith and used the faith the good lord gave them. You see faith is like muscles. It will grow if you exercise it and they believed in prayer. Years ago you thought those folks prayed as the bible said without ceasing because every time you came up to their house you could hear them praying and they experienced miracles like they did in bible days, but then the little god money and modernization and prosperity came along at a high price and so instead of stepping out on faith. They stepped off faith, away from faith and began to put their confidence and faith in man and oh I know all wisdom and knowledge comes from God, but He still wants us to use our faith. As a matter of fact the word says that without faith it is impossible to please God. So wheres your faith? In man or in Jehovah God. This lady I was talking to also said that there were not any veterinarrians around and so the old saintly prayer warriors would come and kneel down in the barns and pray for sick animals. They had to be careful where they knelt and where they stepped and God healed those animals and why not. God created them too for a purpose. Back in the old days a good mule and a good milk cow was very important. I remember when I was a boy and we lived in a shack and there was rats. I mean warf rats. Big old rats and we had the best rat catching cat in Bullock county and she got sick and so we got the sainted sister next door to pray for the cat. Now this lady was not a con artist so called faith healer or some witch doctor but she was a real faith filled, Holy Ghost filled Christian and she anointed that cat and prayed a prayer of faith and we had faith. I dont know about the cat, but the next day that old cat was catching rats right and left. She was worse than old Tom and Jerry on the cartoons! So I will say amen!

Frustrations – they come when we allow what is out of our control to control us. They arise when our expectations are not met. Anyone who feels out of control will always feel flustered because they believe they are actually the one in control. Those who love control have placed themselves on the throne of their lives. They will always be exhausted when things go hay-wire in any area. This is something that has depleted the control-freaks. God is the one who is before all things, and creator of all things, and sustainer of all things. Frustrations come to those who are used to compartmentalizing God. They section God off. He is there, but He is not here. He oversees this, but not that. That is why they lose heart. They believe if any area gets wonky and they miss out on something else in life they had planned then God just lost control over that thing. Actually, God knew it before they did, and God is not thrown off by it, because He is God in that area too. But they go spiraling all out sorts because they can't control life in that area. They expected to be in a totally different place, but life has them in another. Peace comes when we stop believing that we are in control. The wonky areas don't mean God has lost control. Frustrations come because we have the assumption that God is not in that area, and it was all in our control. Stop boxing God in. He's there in the late work hours. He's in that traffic jam. He's all up in every compartment of life that we think we are in control of.
