12 “Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father.

13 And whatever you ask in My name, that I will do, that the Father may be glorified in the Son.

14 If you ask anything in My name, I will do it.

15 “If you love Me, keep My commandments.

John 14:12-15

SEEDS
FROM
THE
SOWER

Michael A. Guido, D.D.
Metter, Georgia

It is a day I will always remember. It was hot and humid and the black gowns and colorful “hoods” provoked more sweat than satisfaction. It was a day that brought three long and difficult years of study to a conclusion and I was now going to be identified as “Doctor.”

As I stood in a line with my classmates who had struggled with me we could not help but wonder what changes the degree would make in our lives. A new day had dawned. Things would be different for us from that day forward. We would have new opportunities and new status. People would look at us differently. It was time to celebrate. We believed that we had earned it!

Psalms 98 begins with a call to celebrate: “Sing to the Lord a new song, for He has done marvelous things.” This call to celebrate was not for anything that the people did or had accomplished. It was a call to celebrate what God had done for them. It was a call to celebrate the “marvelous things” that God had done for them. This phrase “marvelous things” refers to God’s direct, supernatural interventions in the life of “His people.” It refers to God’s power and authority, His protection and care, His interest in the well-being of His people on this earth. And as important as those gifts of God are, they cannot compare to the gift of His salvation and deliverance!

There are many special events and days in our lives and the life of our nation that give us reasons to celebrate. But nothing provides a greater cause for us to celebrate than the hope we have in Christ our Lord!

ALIGNMENT – There are so many ways this word can be taught or expressed, with unique usages and messages. Alignment with God is the first that comes to mind. It’s the one that is vital for all that will follow. When we are in alignment with God, we align with Heaven. Heaven’s supply opens up for us when that relationship is right. This doesn’t mean hell won’t fight us, but hell will not prevail over us. When we are in the right place with God, all the other relationships will align naturally. It should not have to be begged for, constantly explained, but it will flow like it’s intended to. Right people will show up. Provision for the right vision will arrive, and at the correct time. Things will simply line up as Heaven has them organized to. You won’t have to **FORCE** a round peg into a triangle shaped opening on the board. That’s not in alignment. That’s a clear sign that something is not the proper fit. Misalignment will cause so much stress, confusion, disfunction, and chaos to the max. If this starts to occur, go back to ground zero, and realign with God. That’s where things will start to shift. Stay aligned with Heaven first, above all else. I bless you for reading today.

Coffee County
Property Revaluation

WHAT YOU NEED TO KNOW

YOU GOT YOUR PROPERTY VALUE NOTICE

- Recently, all property owners received their annual property assessment notices.
- There was a substantial increase in value over the previous year due to a total county revaluation.
- The largest impact was on residential and agriculture values.

IF YOU OWN YOUR HOME

- Make sure you have a homestead exemption. This can help lower your property taxes.
- To check your exemption status or to apply, call the Tax Assessors office at 912-384-2136 or visit the office.
- Just because your value increased does not mean your actual tax bill will increase.
- If you already have a homestead exemption, your 2026 tax bill will be mostly unchanged from the previous year.
- If you do not have a homestead exemption, call or visit the Tax Assessors office to sign up. You have until September 18, 2026, to apply.

IF YOU OWN AGRICULTURAL OR FOREST LAND

- You may be eligible for the conservation use exemption. This exemption can help limit the increase in net value and therefore, lessen the amount of property taxes on your agricultural and forest land.
- Contact the Coffee County Tax Assessors office to discuss this exemption and determine your eligibility.

IF YOU DISAGREE WITH THE VALUE

- You have the right to appeal the value.
- If you wish to appeal, you must submit your appeal to the Coffee County Tax Assessors office by September 18, 2026.

FOR QUESTIONS OR ASSISTANCE, CONTACT THE

A CLOUD OF HOPELESSNESS BY GARY TOOLE

Theres a cloud of hopelessness and despair hovering over America. Believe it or not! And Im not being cynical. Satan is working over time to destroy this society as we know it in these last days. Drugs are destroying America. Sin is destroying this society. Accept that or reject it! Never in the history of America has there be so many suicides. **Wake up America!** Even in little country towns the suicide rate is the highest ever in recorded history. Why? Because of sin sickness. A cloud of hopelessness! Never has crime been so rampant! More in prison than ever in the history of America and its getting worse. Dont let foolish optimist tell you other wise with their ridiculous summation. Oh theres so many more people! Duh! Were talking about percentage wise. **Wake up America!** Be vigilant- wide awake the word says. The adversary satan is out to destroy everyone in his path. But the great news is, Theres hope! As Paul the apostle said in 1st Corinthians 15:19, If only in this life we have hope then we are among all men most miserable. Right on Brother Paul! Our true hope lies in eternal life and how do we acquire that hope? By accepting Christ. Thats the message of hope! We as Christians had better get up off our dusters and get on fire for God and spread this message of hope to this hopeless, lost and dying world. I went ahead and answered the question in your mind, What can I do? A lot! Can you say amen?
