 13 SEPTEMBER 2026

**But he was pierced for our transgressions,
he was crushed for our iniquities;
the punishment that brought us peace was on him,
and by his wounds we are healed.**

Isaiah 53:5

SEEDS
FROM
THE
SOWER

Michael A. Guido, D.D.
Metter, Georgia

Some years ago the cover of *Time* magazine asked an intriguing question on its cover: "What ever happened to ethics?" The subtitle continued saying that we have been, "Assaulted by sleaze, scandals and hypocrisy, America searches for its moral bearings." There is little doubt that there has been a loss of moral sensitivity and responsibility. That is very obvious. It is difficult to watch television and not be offended by the language or scenes of indecency. A new language has been introduced that has no respect for God or godly principles.

The only way to solve this problem of moral decay or it can be reversed would be through a national revival. If those of us who profess to trust God's Word and believe in the fact that He will do what He says He will it is not unreasonable that revival will come. A spiritual awakening will visit our nation if we have enough faith, persevere in prayer and regain a sense of the holiness of God.

Psalm 99:1 describes what would happen if we did regain a new sense of the holiness of God. Because "the Lord reigns, let the nations tremble, He sits enthroned between the cherubim, let the earth tremble."

This awesome picture of God that the Psalmist presents to us describes His holiness, power, might and majesty. This description of God is not one that we are familiar with since our minds have become so "clouded" with the things of this world. Certainly we can blame the producers for the programs we watch, but they would not produce what they do without us watching and enjoying it.

Christian Way MINISTRIES

SPONSORED BY REV. GARY TOOLE

A CONFESSION OF A CHRISTIAN BY GARY TOOLE

Now this piece may not seem spiritual, but oh yes it is and you will see why as I go along. If you are a real Christian then it will try your patience, test your spirituality, bring you to your knees and keep your prayer life up and make you question where you really stand with God. Among many others things. I warn folks to not be stupid enough to buy a trailer park like my wife and I did. We wanted to do the right thing and help folks out. Ha, ha! Grandpa use to say, No good deed goes unpunished, and oh how right he was. I jokingly say that if you have a real bad enemy you want to get even with then give him or her a trailer park. That is torture enough. Amen to that! Once you hook on and hook up then you belong to them. You are only suppose to be their land lord. More like their hated lord. If they give you \$500.00 per month rent they expect such and such and if they only give you \$50.00 per month for the same thing then they still expect the same such and such. Go figure! You cant! One old gizzer rented from us and we were charging less rent than anyone not only in Toombs county but in Georgia and yet he said as a matter of factly that it didnt matter what he paid, yet he expected the best and so I told him to get out because I was already giving him more than the best. He had no where to go and we gave him a decent place at a very fair price and so they say that beggars cant be choosers. Oh but yes they can now. We are in the politically correct (incorrect) era of time. So as we learned the hard lesson of doing good we became the free grass cutter and weed eater, the trash disposal man, the ambulance and transport service (free service) and we became the banker and the burial payer and the maintenance of door knobs being allowed to just fall off and we became the family counselor and psychologist and dirt road police and the family and neighbor fights referee. The priest and the pope and EMC light coordinator and payee and the mediator and attorney and business counselor and you name it! My wife fills most those slots because when they ask me all it takes is the look on my face, yet I sin not. The bible says in Ephesians 4:26, to get angry and sin not and boy have I got news for you. That sin not is the hard part. So why did I confess this? Because you needed to hear it so you would not make the same fatal mistake that we did! So I will say amen?

*Words of
Wisdom*
with
Candice Smith

THE DIFFERENCE GOD MAKES – I love to study from others, especially those who are enriched with all the theological things. So, recently I tried my own hand, and did my own little curriculum study... with the help of the handy-dandy internet. I love my physical books more than digital info, but when used wisely even the ole AI tools can prove to help. They can scan so much info way faster than I can. Let's be honest though, you really have to compare it to scripture. It's a machine. So many hate it completely. I think they fail to realize that it's actually been around for a whole lot longer than most people are aware of. Where or how do you think the internet has functioned or fed us all this information for all these many years now? The fact that someone found a way to build it faster and stronger than ever only really shows that they cornered a certain market with their ideas. They discovered a way to elevate it to a whole new level, and they got paid for doing so. It's still all machines with humans at the core. Both are prone to make mistakes. Well, my study led me to the many multiple ways that God does indeed make all the difference in the world. He started it straight out the gate in Genesis, during creations story. You can trace the theme of God's difference making skills all the way through to the end of Revelation. You should come to the conclusion that God's original plan, it is still the plan, and it's right on schedule. It won't be late. It will not fail. It shall come to pass. There's a difference between the life lived with God VS the one attempted on ones own. Every page of scripture proves it to be true.
