NOTICE

Dear Members,

Subject: Convenience - Trolley for your grocery movement.

It was observed that, most of us found it inconvenient to move the grocery from our vehicle to respective home, particularly when we shop our monthly grocery.

Towards continued effort to make living at Maxima safe & comfortable, a grocery trolley is being made available with immediate effect. This would be similar to the trolleys that you find in any super market. This is yet another effort towards creating convenience to all the Maxima residents.

The trolley would be parked at the ground floor near to the staircase entry area. The designated place would be properly marked and labeled as "Trolley Park" such that it does not obstruct any entry/ exit.

Each wing will be provided with one dedicated trolley and the following rules will apply should you desire to use this trolley;

1. This trolley is for the purpose of ONLY grocery movement from your vehicle to your flat and should NOT be taken out of Maxima CHS premises.
2. Use trolley pertaining ONLY to your wing and REPORT to the wing guard before picking. It will be the responsibility of the resident who picks it to return.
3. This trolley strictly is NOT to be used for movement of any other luggage's like baggage, carpentry related, cement/ sand bags, white wash related, kids joy ride, etc.
4. Trolley should be put back at the designated trolley park within 15 minutes of picking the same.
5. Misuse of any type or non-compliance will attract penalty of Rs. 250/- per instance.
6. Damage expenses of any type to the trolley will have to be borne by that user.

Inviting all residents to make use of the convenience provided appropriately and also take proper care of the asset introduced.

Thanks & Regards,

For Maxima CHS Ltd
