

## About Us

CareRide Non-Emergency Transportation is an established company based in Granbury, Texas, with a primary focus on serving the Fort Worth and its surrounding regions. Our leadership comprises highly experienced individuals whose deep dedication to patient transport has been cultivated through diverse roles, notably over 15 years of experience as an EMS Practitioner at the UTMB in Galveston. Our unwavering commitment to helping others, derived from this extensive experience and a profound wellspring of empathy, is the core driving force behind our mission.

## Our Services:

CareRide Non-Emergency Transportation guarantees that individuals encountering transportation obstacles can effectively reach essential preventative and specialized medical services. Opting for services like CareRide Non-Emergency Transportation, can potentially enhance general health results, prevent exorbitant ambulance expenses, and diminish the frequency of visits to the emergency room. The advantages of NEMT services hold particular importance for individuals contending with mobility constraints such as wheelchair users, those managing chronic ailments like diabetes, heart disease, cancer, and COPD, as well as those in recovery from injuries or major health setbacks like car accidents, strokes, and surgical procedures like amputations or joint replacements.
