Why Choose CareRide?

At CareRide Non-Emergency Transportation, we understand that your patients are more than a transport — they are individuals who deserve safety, dignity, compassion, and reliability throughout every stage of care.

Our mission is to provide dependable, professional, and patient-centered transportation services that help facilities improve discharge efficiency, reduce transportation delays, and ensure continuity of care.

CareRide Facility Advantages

Reliable & On-Time Transportation

- Prompt pickups and dependable scheduling
- Real-time communication and ETA updates
- Flexible coordination with discharge planners, nursing staff, and case management teams
- Reduced wait times for patient discharges and appointments

Professional & Compassionate Staff

- Courteous, professionally trained drivers
- Patient-focused care with emphasis on dignity and comfort
- Experience assisting elderly, disabled, bariatric, and mobility-limited passengers
- Drivers trained in safe loading and unloading procedures

Specialized Transportation Services

We provide:

- Wheelchair transportation
- Broda Synthesis chair transportation
- Broda Traversa chair transportation
- Stretcher chair transportation
- Ambulatory assistance
- Bariatric transportation
- Long-distance intrastate transportation

Safety & Compliance Focused

- Commercially insured and professionally operated
- Routine vehicle inspections and maintenance
- HIPAA-conscious operations
- Secure wheelchair and mobility-device transport
- Clean, comfortable, and well-maintained vehicles

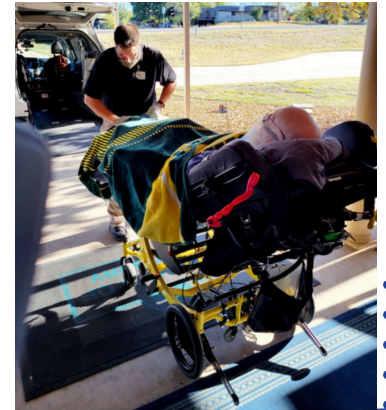

Partnership-Focused Service

CareRide works to become an extension of your care team by providing:

- Consistent communication
- Responsive scheduling support
- Dependable discharge coordination
- Professional service your staff and families can trust.

Our Commitment

We know transportation directly impacts patient satisfaction, discharge efficiency, and continuity of care. That is why we are committed to treating every passenger like family while maintaining the professionalism your facility expects.
