

Partner with CareRide

Reliable Non-Emergency Transportation for Your Facility and Your Patients.

CareRide partners with hospitals, clinics, rehabilitation centers, and senior living facilities to provide safe, reliable, and compassionate non-emergency transportation services. Whether your patients need a ride to a follow-up appointment, therapy session, or routine treatment, our team ensures a smooth experience from door to door.

By contracting with CareRide, your facility can improve patient satisfaction, reduce missed appointments, and offer added convenience—without the hassle of managing transportation in-house.

Safe & Dependable

Trained drivers and well-maintained vehicles you can trust.

Seamless Partnership

We work as an extension of your care team.

Enhanced Patient Experience

On-time, courteous service that reflects your commitment to care.

Cost-Effective Solutions

Flexible contracting options designed to fit your facility's needs.

Let's build a partnership that drives better outcomes.
