Trekking

The ancient town of Hampi is a great place for trekking enthusiasts to explore the natural and man-made beauty of the land. The ruined town has a rocky terrain and several large and small rocky hills that are ideal for trekking. One of the amazing trek routes is the Matanga Hill trek and the Anjaneya Hill trek.

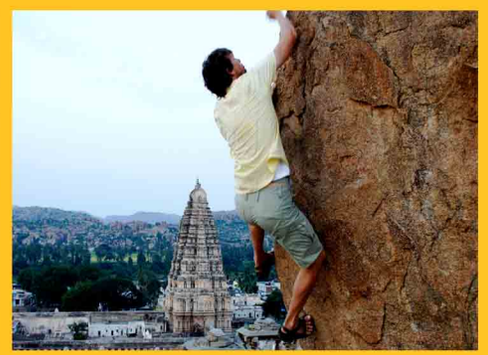

Rock Climbing

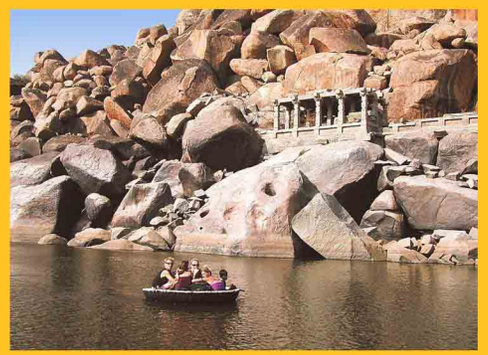

Hampi offers ample scope for rock climbing enthusiasts. The rocky terrain of Hampi is mostly scattered with boulders and granite crags of various sizes ranging from 4 m to 60 m in height. The boulders and crags offer easy as well as challenging options for rock climbers

Coracle Ride

Enjoy the thrill of crossing swift flowing Tungabhadra river which swirls and curves through Hampi in these ancient traditional boats.

Experience Sun Rise n Sun Set

Stone age Colony

This 5000 year old 'Stone Age colony were built before the discovery of the metal tools. The Maurya Mane was the home of Dwarfs. A unique construction made from huge slabs of solid rocks, numerous clear cave paintings are contained here
