

The Concours and Collection Club Grand Tours, LLC  
Milan September 2026

Overall Trip information: Please keep in mind that this can change based on availability. Nothing is confirmed until everything is booked and paid for. Whole trip payment must be paid up front. There will be a credit card processing fee if you want to pay with a credit card. Mastercard/Visa is 3% and AMEX is 3.5%.

Payments will be made to The Concours and Collection Club Grand Tours. The rental car company will send a link for the deposit, which is the deductible of the insurance for the rental car. This deposit is not for the charge of the car, that is covered in the TCCC Grand Tours payment. The deposit is essentially the deductible of the insurance of the car. They will be only placing a hold on your credit card and not charging the card. The charge will be released when the car is returned and inspected. They will charge you first for any damage to the car up to the deductible.

Cars are limited and it's first come, first serve to the type of car. There are more details below in the car rental section.

Please keep in mind that your luggage will need to fit in your car, there is no support staff. We should be able to leave luggage in Milan at our hotel and pick it back when we return at the end of the trip.

We will need to support each other, please keep that in mind. Also, AI was used to help plan this trip to help make it as fun as possible. I will be fine tuning it as we get closer.

The last day of the driving experience is September 25<sup>th</sup>, we plan to leave on the 27<sup>th</sup> so we can enjoy the day in Milan on the 26<sup>th</sup>. If you wish to leave on the 25<sup>th</sup> please let me know.

If you need to cancel for any reason, I can't guarantee any refunds. I will be paying the costs up front. I will try to get refunds but may not be able to. Also please keep in mind that currency rates fluctuate. I will book and confirm everything.

Also note that I raised the km allowance for the car rental to 1,250 Km from 1,000, hence some of the costs going up from what I had previously stated.

Lodging will be confirmed after payment is received.

# Travel Medical Insurance

I recommend that you get travel medical insurance. I asked AI for a recommendation and was given the site below and cost for me was \$79.00. Do your own research and let me know what you find.

<https://www.travelexinsurance.com/>

The screenshot shows the Travelex Insurance Services website interface. At the top left is the Travelex logo with the tagline "INSURANCE SERVICES". To the right is a phone icon and the number "1-800-228-9792". Further right is a button labeled "Restart my quote". Below the header is a progress bar with four steps: "My trip details" (completed with a green checkmark), "My coverage options" (current step with a blue circle), "My information", and "My payment details". A "< Back" link is on the left. The main heading reads "It's time to choose your plan." Below this are three tabs: "Comprehensive coverage", "On-trip coverage only" (selected and highlighted in blue), and "Flight coverage only". The "Travel Med Go" plan is featured in a white box with a blue border. It includes the title "Travel Med Go", a description "Our post-departure plan with helpful on-trip coverage.", and a large price tag of "\$79.00" with "Total cost" underneath. A link "View description of coverage" is provided. A list of benefits follows: "Trip cancellation" (with a red X icon), "Up to \$50,000 emergency medical" (with a green checkmark), "Additional \$250,000 emergency medical upgrade available" (with a green checkmark), "Up to \$250,000 emergency evacuation and repatriation" (with a green checkmark), and "Up to \$1,000 baggage and personal effects" (with a green checkmark). A blue "Choose this plan" button is at the bottom of the box. At the bottom of the page, there is a button labeled "See all benefits" with a dropdown arrow.
