CLINIC RULES, RESTRICTIONS & REQUIREMENTS

FOR MARICOPA COUNTY RESIDENTS, ONLY.

- \$35 deposit will be required at time of confirmation; please be prepared for a callback and have payment ready.
- All pets must be in good health and friendly (able to be handled by staff)
- All pets must be brought in by legal owner, and at least 18 years old
- Pets must be at least 2 pounds and 2 months of age
- Pets 8 years and older - require bloodwork (\$120)
- All Dogs must be on a leash
- **Cats must be in a carrier (only one cat per carrier, please)**- This is for post-surgery recovery reasons.
- **NO Greyhounds due to increased risk of complications with anesthesia.**
- Space is limited and based on species, weight and sex. Approx. 40 spots available each day.
- Microchip: \$20 microchipping will be available for event participants on these dates only.
- **This event and its funding is for owned pets (of the general public) and not for use by breeders, rescue groups, pets in transition of homes, fosters, adopted pets from a rescue/shelter, strays and/or feral stray/free-roaming cats.**

FAS' efforts are to help those in need of financial assistance to provide a healthy life for their pets while preventing future accidental litters and unwanted pets entering our shelter system.

➤ 2 pets per household/owner, per 12-month period through Fix.Adopt.Save. funding.
