

PSW: TEACHER/STAFF TOOLKIT

March 25 - 29, 2019

Public Schools Week is a national, grassroots effort. Public school teachers & staff can join parents as they celebrate their schools. Together, we'll raise awareness in our communities and with our elected officials about the great things happening for our students.

Take action by:

 Changing your Facebook profile pic to the #PublicSchoolProud graphic.

 Sending letters or cards from your students to your district's legislators, the Governor, Lt. Governor and Superintendent Hofmeister.

 Posting a photo on social media of your class holding a Public School Proud sign.

 Posting on your personal social media accounts why you love working at your school. Include #PublicSchoolProud.

Find a detailed Daily Action Calendar, graphics, Toolkits and a downloadable temporary profile picture at www.okplac.org/psw.
