

Summer Village of South Baptiste News October 2022

Happy Fall from your Summer Village of South Baptiste Council

The Summer Village of South Baptiste has recently begun a project to prepare a [Municipal Development Plan \(MDP\)](#). The purpose of this newsletter is to provide you with some information and let you know how you can participate and have your voice heard.

What is a Municipal Development Plan?

A [MDP](#) is a statutory plan required by all Municipalities in Alberta that will set policies for the use of land within the Summer Village of South Baptiste. It is intended to be consistent with the Baptiste Lake Intermunicipal Development Plan (IDP). The [MDP](#) will provide guidance for future land use and development within our Summer Village and will address what type of community we want our Summer Village to be.

How can you get involved?

- We strongly encourage your feedback! The initial draft of the [MDP](#) along with a survey is on our newly revised website at southbaptiste.com
- Attend our public consultation on [November 29, 2022](#) (via zoom) at **6:30pm**.
- Join our [Summer Village of South Baptiste SVSB](#) Facebook group for updates
- Provide your email address for future communications

Next Steps

- Once we have reviewed and summarized the feedback from the public hearing, we will do a summary and post it on southbaptiste.com for your review

Please know that your privacy is important to us and your survey responses will not be shared with any other individuals or organizations
