Efficiency with Ease

Whether you're a skier, a technician working with Elan products, or a partner investing in our rental program, you can be assured that our selection is carefully designed to deliver efficient handling.

ONLY FOUR SOLE SIZES

The Discovery DSS boot is available in 12 different full sizes and 24 half sizes, but, uses **only four boot sole lengths** for the entire Adult series. Fewer boot sole lengths mean faster adjustments and fewer mistakes.

HIGH VISIBILITY COLOR CODED SIZING

The DSS boot sole lengths are easily identifiable using a color coding system on all sides of the boot including the bottom: Orange, Purple, Blue, and Green.
