AFTER HOURS

INTUITIVE PERFORMANCE

Following the success of the new Heretic, Rossignol continues to introduce its 100% in house developed frames

The new After Hours delivers a solid and confident ride. The unmatched durability, with an optimized e-bike suspension performance, and a customized geometry, is now paired with the class leading new Bosch Performance CX motor and a larger battery capacity.

The AFTER HOURS is a full power eMTB built for your biggest adventures.

MANDATE JUNIOR

INTUITIVE EXPERIENCE

The new Mandate Junior range is built for young shredders ready to elevate their riding game. These bikes bring pure fun on the trails with an enhanced comfort, control, and safety.

GRAVITY
HERETIC

The new HERETIC: your agile, bulletproof Enduro companion. With its sleek design and aluminum frame with hydroformed tubes, it's both lightweight and durable. Adjustable geometry ensures it's tailored to your style, while its hidden tools keep you prepared on the trails. Tested on the toughest courses, the new HERETIC delivers the perfect blend of performance and value, making it your go-to choice for epic rides

GRAVITY

DH PROJECT V2

Developed on the same proven platform and DNA as our legendary Heretic enduro frame, the new DH Project V2 takes performance to the next level to become a pure-blood gravity monster.
Crafted from bulletproof aluminum, this all-new 200mm travel front-and-back platform is born for endless bike park laps, brutal track conditions, and maximum airtime. Its mixed-wheel mullet setup (29" front / 27.5" rear) ensures you can plow through the absolute roughest rock gardens while keeping the back end agile enough to slap berms and throw down sideways.

PLAY-E
AFTER HOURS

This ultimate all-arounder is not just a bike – it's an invitation. Discover a world where climbing has never been so fun; where "faster" and "longer" are the only words in your vocabulary. Our Horst Link suspension and aluminum frame provide effortless traction for technical climbs and a cruisey, magic carpet feel on the descent. The new Bosch drive unit delivers the extra juice you're looking for; a smooth and powerful motor that gives you the confidence to hit trails you never thought possible. Entirely customizable with the Flow App app, configure your bike to fit your unique style.
