	Discount %	10%	14%	18%

**\*Orders which meet either of the support requirements and that are accepted by HEAD on or before February 10, 2025 will receive an additional 2% discount.**

### TERMS AND CONDITIONS:

- Dating:** For HEAD Dealers who place a qualifying preseason order by February 14, 2025 (the end of Snowboard Retail Preseason), dating shall be December 15, 2025 for City Shops and January 15, 2026 for Area Shops. Accounts with credit card/pre pay terms do not qualify for open term dating without prior Credit Department approval.
- Reorders:** Receive earned preseason discount, with the exception of show specials which will not be honored past their expiration dates. Orders placed on or between February 15, 2025 and December 31, 2025, will be considered "in-season" and will receive Net 60 terms.
- Demo:** Demo equipment shall be sold at earned preseason discount with payment due March 1, 2026. Special Conditions: Only models ordered during the preseason may be ordered as demo. Demo equipment might be labeled as "Demo." Demo equipment is limited to 10% of the preseason retail order. Retail equipment ordered for rental or demo will not ship until October 1 or later.
- Acceptance of Orders:** For all customers, acceptance of any order by HEAD USA is dependent upon the following conditions:
  - Completion by the account and receipt at HEAD USA of the following documents:
    - A signed and completed HEAD dealer agreement.
    - Purchase Order or dealer signature.
    - Original, signed, and completed credit application. Tax documents (e.g. resale tax certificate) – if appropriate.
  - Upon receipt of all credit documentation, credit will be reviewed for open terms. Additional financial documentation may be required by the HEAD Credit Manager.
- Cancellations/Modifications:** Once an order has been received, accepted, and acknowledged by HEAD USA, modifications or cancellations shall not be permitted thirty days beyond this date.
- Freight:** All orders will be shipped FOB Baltimore, MD. Unless otherwise agreed (e.g. Customer organizes their own pick-up), all orders will be prepaid and billed to the dealer. Returned or refused orders will be subject to a 15% restocking fee.
- Purchase Orders:** Dealers may use their own Purchase Order forms, but any terms and conditions inconsistent with those in this document will be refused and the dealer's purchase order terms must be amended to reflect those of HEAD USA.
- Credit:** Orders will be shipped only if the HEAD USA Credit Department deems the dealer's current credit status as satisfactory. Past due balances, incomplete credit information and/or purchase orders can cause delays in shipment. Orders not cleared by the HEAD USA credit department within 14 days of the requested ship date may be cancelled by HEAD USA. Credit status within a buying group does not necessarily guarantee acceptance of order by HEAD USA.
- Payment Terms:** Payments are due on or before the due date referenced on the invoice. Late payment may result in a loss of the original discount and the full amount due will remain payable and be assessed a finance charge of 1.5% per month, or the maximum allowable by state law, whichever is less. All collection and legal fees necessary to collect the debt will be passed to the account. Checks returned for insufficient funds will be assessed a \$35 fee. **HEAD Tyrolia Wintersports will impose a surcharge on credit card payments for invoices on open terms. The surcharge amount will not exceed the applicable credit card cost of acceptance.**
- Changes:** Order Acknowledgments can be found on [oms.head.com](https://oms.head.com). Without prior notification to the dealer, all prices, terms, conditions, and product specifications are subject to change by HEAD USA.
- Returns:** Returns will not be accepted by HEAD USA without a Return Authorization issued by HEAD USA Customer Service. Unauthorized returns will be refused and returned at the dealer's expense. A charge up to the full value of the product will be assessed for any returns in less than first quality condition.
- Internet and Transshipping:** Dealers must follow HEAD's Internet Policy, as provided by HEAD USA representatives.
- Dealer Locator:** Dealer must place a minimum order of \$5,000 (between all HEAD/Tyrolia products) per location to be listed on the [head.com](https://head.com) dealer locator. Dealer must maintain each of their specific retail store locations at [retailers.locally.com](https://retailers.locally.com).
- MAP:** HEAD USA has a Minimum Advertised Price Policy which will be provided to all dealers. The most up-to-date version is shown at [oms.head.com](https://oms.head.com). Please contact [info@us.head.com](mailto:info@us.head.com) for log in information.
- Warranty:** HEAD manufactures premium quality equipment. In the rare case that a manufacturing defect is present, HEAD will repair or replace the defective item with the same (or a similar) model for the original purchaser. If this option is not available, a credit will be issued. Problems resulting from (but not limited to) misuse and impact damage (from rocks, gates, boxes, rails, concrete floors, etc.) will not be covered. Damage from improperly mounted bindings will not be covered. Warranty period for rental products begins on original invoice date. Proof of purchase from a HEAD USA authorized dealer or an invoice from HEAD USA is required.
  - In special cases, HEAD will, in good faith, "Hot Swap" potential warranty items by sending out replacements for products which have had a Return Authorization (RA) issued, but have not yet been approved for replacement. In this case, the item with the RA must be returned to the HEAD warranty department in Baltimore, MD within ten days of the RA being issued. Additionally, if the item that's returned is deemed to not be covered by HEAD warranty policies, the customer will be billed for the already-shipped replacement item.
  - Items with an RA that are sent to the warranty department in Baltimore, but upon inspection deemed not covered by the HEAD warranty policy, will be returned to the customer. The customer will pay for this return freight.
