4 SEASONS

[BLOOD LINE]

All Climate Adapative Layering Intended Technical Streetwear

Our Shred DNA is deeply imbeded in BLOOD LINE's purposeful fabric engineering and function-oriented Garment Construction - for joyable weather dealing in all habitats.

[TECH FEATURES]

Our proprietary 3L fabric construction with bonded membrane rated at 10,000MM/1" SQUARE for waterproofing and 5,000G/M SQUARE. Inside is bonded with ultra soft micro fleece lining that is moisture wicking and quick dry. Excellent wind proofing and shell construction that is built for all seasons.

DWR (Durable Water Repellent) fabric finish repels light rain and snow and decreases drying times.
The DWR finish keeps the outer fabric from becoming saturated so that bonded inside materials will keep you dry and comfy.

Moisture wicking fabric is designed to pull moisture away from the skin. Our engineered micro-fibers draw sweat and perspiration off of the skin and out to the exterior of the fabric. It is much easier for the moisture to evaporate on the surface of the fabric than when it is trapped between the garment and the skin on ordinary garments.

Our 4 seasons Blood Line garments are made with high-performance micro-fiber synthetic fabric, that moves sweat away from the body and to the fabric surface where it evaporates quicker than any conventional fabric. It will keep you dry and comfortable.

Tech T-shirts / Long Sleeve / Tanks are 3D knitted with moisture wicking/quck dry mircro-fibers that also provides UVA and UVB protection (UPF 30) from the sun in areas covered by the garment.

Premium woven micro-fiber Nylon that offers natural water repellency and quick dry performance.
Rugged durability while being air light and crisp, that defends from wind chill with comforting quick dry insulation.

High quality garments needs matching grade trim. Nothing worse than zippers failing on your essential goods.
Blood Line garments are made with best sourced trims on the planet.

COLLABORATION PROJECTS

You design. We tailor.

CandyGrind™ FACTORY MADE

Thank you for your interest in our COLLABORATION PROJECTS for apparel.
Our purpose is to continually provide our supporting retailers with quality goods that generates a great sell through.

We've been supplying custom limited goods to fine retailers, for over a decade with proven track records of success. All projects for this year will be showcased on our updated website and Shopatron, as we value this unique inspiration and collaborative efforts. We are confident that our craftsmanship matched with your local inspirations & style, will bring out a product that is genuine and exclusive. Please inquire through our customer service for further information on ordering. Selected retailers only.

1. PICK AN APPAREL CATEGORY

Choose your favorite apparel category from our seasonal offerings.

2. SEND US YOUR DESIGNS

You have unlimited options in the design platform from custom fabric print to custom patches and detail options. All original CG branding will remain in COLLABORATION PROJECTS with our guarantee of quality. Any creative ideas are encouraged and we will support by delivering your imagination to reality. We want to see your inspirations!

3. WE MANUFACTURE

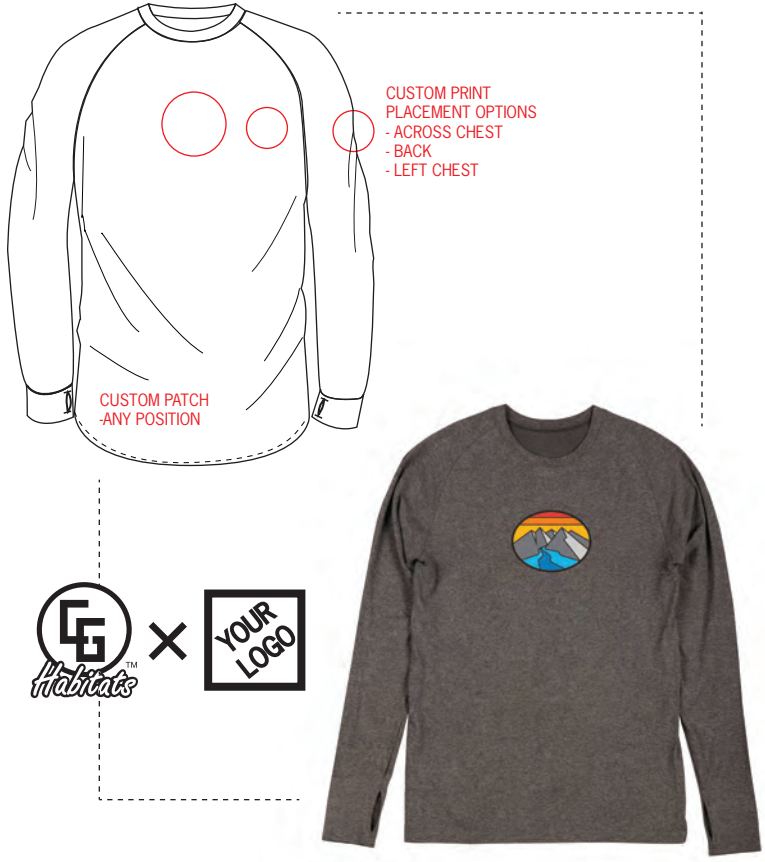

We tailor and produce your order with meticulous attention to detail. CG standards of quality is applied to every piece and process of this customization.

4. GOODS DELIVERED TO YOU

Our lead time on Collaboration Projects are identical to your regular seasonal delivery schedule. Be stoked to receive quality goods with design and prestige that you will be proud to display up front. You design and we tailor!

[BOARDSHORTS TECH FEATURES]

Adjusta-cinch I
Tetris inspired waist closing's pattern visually sets a natural sitting in any position. (Within 1 inch increment flexibility.)
Also the overlap of the closure prevents bunch up while max tightening.
(Available on 301 Standard Fit / 309 OG Athletic Fit.)

Adjusta-cinch II
The waist banding is made with anti-stretch fused insert.
Along with a smart 2 grommet hole system (set 1" apart for - adjustment allowance.)
Enjoy the adjustable true waist fit throughout your day.
(Available on 305 Lounger Fit / W209 CG Girl's Athletic Fit.)

Welded inseams & bottom seams
Prevents irritating inner thigh and leg chafing.
(Available on 301 Standard Fit / 303 Street Fit / 314 Walker Fit.)

Inside belt system / Pant style fly opening
High standard details. Tailored.
(Available on 303 Street Fit / 314 Walker Fit.)

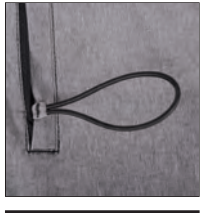

Jimmy protector
Protects your goods with nice silky feel. Enough said.
(Available on 301 Standard Fit / 305 Lounger Fit / 309 OG Athletic Fit / W209 CG Girl's Athletic Fit.)

Zippered pockets
We believe in live-able boardshorts. Dry or wet, zippered side pockets will make your day enjoyable.
(Available on 301 Standard Fit / 303 Street Fit / 305 Lounger / 309 Athletic Fit / W209 CG Girl's Athletic Fit.)

Patterned hydro-drain mesh tips
Effective draining, protecting the pocket from being vulnerable to being snagged.
Fast draining prevents bubbling and brings about better swim-ability.
(Available on 301 Standard Fit / 303 Street Fit / 305 Lounge Fit / 309 OG Athletic Fit / 314 Walker Fit & W209 CG Girl's Athletic Fit.)

Elastic key fob
Keep your essentials safe.
(Available on 301 Standard Fit / 303 Street Fit / 305 Lounge Fit / 309 OG Athletic / 314 Walker Fit & W209 CG Girl's Athletic Fit.)

Single nylon webbing carry loop
Mountaineer spirits on livable boardshorts. Additional carry option.
(Available on 301 Standard Fit / 303 Street Fit / 305 Lounge Fit / 309 OG Athletic Fit / 314 Walker Fit & W209 CG Girl's Athletic Fit.)
