Get ready for an exhilarating week of creativity at Hugh Embry Library as we team up with the Dade City Center for the Arts (DCCA) for our Third Annual National Arts in Education Week celebration, running from September 8th to 13th!

Our showcase includes a diverse array of Artwork and a week full of exciting events. Returning this year, a special Mobile Makerspace activity. Create your own clay masterpiece, fired at Starkey Ranch's Clayworks Studio.

Artists, this is where we need your help. We invite you to display your stunning Artwork at our venue—submit your forms by August 1st for approval. All approved pieces should be dropped off by August 22nd at 5:00 PM to be showcased for two weeks. We will have an informational booklet available for all visitors, as well as custom tags that you can keep after the event. During these two weeks, on September 11th from 6:00 - 8:00 PM, we will be having an Artist Meet and Greet, hosted by DCCA, with selected panelists and a chance to enter a free drawing at the Reception!

Again, thank you for working with us to provide our community with this Art experience. Please reach out to Danielle Lee and Ethan Wiley at Hugh Embry library using the contact info below, if you have any questions.
