

Primate Power[®] Supply

Primate Power[®] Supplies are rugged, compact, and efficient.

- SiC power devices
- 19" rackmount enclosures
- Fast output response
- Rack systems available
- Built-in displays & keypads
- Built-in interface connector

6 kW	1 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 1 phase 200 VAC to 240 VAC• Single 400 V 15 A output• 2U enclosure: 3.5" x 19" x 18"
12 kW	3 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 3 phase 200 VAC to 240 VAC• Dual 300 V 20 A outputs• 2U enclosure: 3.5" x 19" x 18"
18 kW	3 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 3 phase 200 VAC to 240 VAC• Dual 300 V 30 A outputs• 3U enclosure: 5.25" x 19" x 18"
30 kW	3 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 3 phase 200 VAC to 240 VAC• Dual 500 V 30 A outputs• 3U enclosure: 5.25" x 19" x 18"
75 kW	3 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 3 phase 380 VAC to 480 VAC• Dual 500 V 75 A outputs• 8U cabinet: 30" x 21" x 24.5"
150 kW	3 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 3 phase 380 VAC to 480 VAC• Dual 500 V 150 A outputs• 13U cabinet: 30" x 21" x 24.5"
300 kW	3 phase AC - DC with built-in fuses and isolation <ul style="list-style-type: none">• Input 3 phase 380 VAC to 480 VAC• Triple 500 V 200 A outputs• 24U cabinet: 47.2" x 21.4" x 24.5"
