OUR SERVICES

FOOD PANTRY

Our Community Food Pantry is open the 2nd and 4th Tuesday of every month. Clients are required to present a valid photo ID and complete an intake form.

HOMELESS OUTREACH

Our unsheltered homeless outreach consists of us continuously traveling around Kershaw, Richland and Lexington Counties interacting with the unsheltered homeless population determining their needs and providing them with bags of toiletries, non-perishables and food gift cards. We also host stationary events which we call "Bless Somebody Else Day" where we set up tents, tables and chairs in close proximity of a homeless community and serve hot meals to the community. During those events give out toiletries, health items, clothing, inclement weather items, non-perishable food items and blankets.

VETERAN 2 VETERAN

We provide furniture and household goods to Veterans transition out of homelessness into independent living.

EDUCATION & RESOURCES

Our Bridging the Gap Program provides computers and internet to low income families at low cost and in some cases no cost. Additionally, we assist clients with applications for benefits, basic computer skills training, job training and various other resources.
