

THE GALATIANS QUARTERLY

2020 YEAR IN REVIEW

We as a nation faced many challenges in 2020. Despite those many challenges our community continued to band together to help and support one another. Galatians 6:2 distributed more than \$18k worth of food gift cards and toiletries within our community. We were able to provide \$15K worth of furniture and household goods to Veterans in SC and NC transitioning out of homelessness into independent living. We granted \$3500 of emergency funds to families experiencing hardship due to Covid-19. We served 87 hot meals to unsheltered homeless members of our community. We couldn't have done it without the love and support of our donors. So thank you very much!

As a result of COVID-19 our Community Outreach protocols had to change to reflect our new environment. We made it work and accomplished our mission.

Volunteers are the foundation of our organization. Without volunteers we wouldn't be able to do what we do! We have a really great team!
