

**Lutz Bug Spray Permission Form 2026**

Due to the outdoor nature of Lutz Nature Camp, it is important to apply bug spray throughout the day. Please fill out the following form to clarify what your preferred bug spray usage is. Prior to going outside bug spray will be applied to campers' ankles, wrists, and back of the neck. Bug spray is necessary due to spending time in the woods each day and the prevalence of ticks and disease carrying insects.

I, \_\_\_\_\_, the parent/guardian of \_\_\_\_\_,

attending the Lutz Children's Museum Nature Camp (2026) have checked off the following that apply:

- I do not know of any allergies that my child(ren) has to bug spray.
- I do not want bug spray applied to my child(ren).
- I will provide bug spray for my child(ren).
- My child(ren) will apply their own bug spray.
- My child(ren) requires staff assistance when applying bug spray.
- If my child(ren)'s bug spray is unavailable, they may use a different bug spray provided by the Lutz Children's Museum.
- My child(ren) has an allergy to some bug sprays. Please use only the following brand(s) and type(s) of bug spray:

\_\_\_\_\_

Child(ren)'s Name(s): \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Parent/Guardian Printed Name: \_\_\_\_\_

Relationship to Child(ren): \_\_\_\_\_
