## PUT LEARNING IN THE HANDS OF CHILDREN!

The Lutz Children's Museum Oak Grove Nature Camp has provided summer camp experiences for over 20 years. Located on 52 acres of woodlands, a large vernal pond offers a unique outdoor setting that provides a biome for native plants and animals. Activities take place outside and in the air-conditioned indoor classroom. Oak Grove Nature Camp maintains a state license from the Connecticut Office of Early Childhood.

Campers are between the ages of 5 and 10 years of age; each camper needs to have completed Kindergarten.

Campers participate in a variety of hands-on weekly activities:

- Nature Hikes
- Animal meet and greets
