## Information about ASA Memberships

For the 2025 season ASA is requiring that all shooters must be an ASA member to qualify for any awards, payback and qualification for the State Championship and other awards. Acquiring an ASA membership after the event will not retroactively elevate any previous event's results.

In the past if a shooter participated in a qualifier as a guest shooter, they would be eligible for awards and their scores would be elevated if membership was purchased before the State Championship.

Note that to be eligible for the State Championship and/or Shooter Of the Year - (SOY) you must shoot in 5 Qualifiers and the State Championship.

For those of us that participated in the "Too Broke For Minden" and the "Reindeer Rumble" the Arizona Federation Director is offering to accept memberships applications for the 2024 year. The membership will be valid for the entire year of 2025, and that shooter will be eligible for awards and automatic qualification in the State Championship event in the summer of 2025. *(Details are forthcoming)*

For this "Special" deal the federation director has asked that we collect your information and payment. The director will take that and make sure that your registration is processed as described above.

The 2024 individual membership fee is \$50 and family memberships \$70 (Family Primary, Spouse and Child under 21).

If you have any questions or if you would like to become a member of ASA, please feel free to call or email Usery Mountain Archers.
