Dear Community Leader,

Your Dash 365 (your local nonprofit) is holding its fourth annual Golf Tournament Saturday, September 26, 2026 at Stone Hedge Golf Course Tunkhannock, PA. Tee time 12/noon. The tournament proceeds support Matt D's Doghouse fund. This fund, created in memory of Matthew DeAngelis, helps students with scholarships, the community with programs, events, memorials, and more. We hope to grow the Doghouse into a haven with a place to call home for many struggling with mental stress and health. Through love and purpose our team is here to help.

This annual event funds all the great things we do. We are hoping you may be interested in sponsoring us. You will be recognized on our media and during the event. We are a 501 C 3 entity. Thank you for your consideration.
