

Bala Vihar

Bala Vihar is a children's educational program offered at the Hindu Vedic Society, teaching religious and spiritual tenets, values and community, customs and festivals, all in the Hindu-American context. These ideas are conveyed through stories and parables, hands-on activities, art projects, field trips, and small group discussion. It is a place where children can learn about the Hindu heritage, reinforce cultural values, and establish a peer group.

Bala Vihar meets weekly (currently through Zoom), Sundays 10:20-12:00, with different level classes for students from Kindergarten to Grade 8. High school students meet about twice a month to read and discuss the Bhagavad Gita.

Fall semester Begins

Sun, Aug 16 10:20am-12pm
