

Felix Turzer
Advisor

Short CV

Felix Turzer started his airline career on the Boeing 777 for AeroLogic, a joint venture of Lufthansa Cargo and DHL. He later joined Lufthansa's subsidiary Eurowings Europe where he became Captain on the Airbus A320 Family. He was then appointed Line Training Captain on the Airbus A320 Family.

Furthermore he is working as a Safety Pilot in the Quality and Compliance Department of Eurowings' headquarters in Cologne.

Felix Turzer studied Business Administration at the University of Munich, holds a certificate of IATA's Ground Operations Management and attended the Global Aviation Management course of the University of St. Gallen.
