

Tim Felix Uellendahl, BSc
Advisor

Short CV

Biography:

After completing the International Baccalaureate and earning a JAR PPL in 2013, Tim Uellendahl studied at Jacobs University Bremen with a focus on strategic lean management, process modeling and optimization. He simultaneously enrolled in a distance learning course for the ATPL and passed the theoretical examinations shortly prior to graduating from university with a Bachelor of Science in International Logistics Management and Engineering in 2016.

During a subsequent job as a researcher and consultant for a German sports car manufacturer, he completed the modular CPL/IR training and earned his commercial EASA license in 2017.

In the same year, he joined Aerologic, a Lufthansa Cargo and DHL joint venture, operating Boeing 777F on global express cargo flights ever since.
