

Town Of Saxeville Planning Committee Public Hearing Meeting 8-17-2026

The meeting was held at the Saxeville Town Hall

The meeting was called to order at 6:00 PM

Members in attendance: Janine Chirstensen, Evan Terry, Leah Hansen, Bart Peterson, Ken Hansen, Angie Lund

There was no public audience or request for public comment.

- Janine let the group know the main change that was made to this section of the land use plan was moving the minimum lot size from 1 acre to 2 acres for building.
- There was no wording added to address data centers at this time since we do not currently have any land in the Town of Saxeville that is zoned as mass industrial.
- Bart Peterson reminded the group that many people in the survey said they wanted to maintain rural character in the township and that he personally would like to see the minimum lot size be 5 acres.
- The planning committee will meet again on September 8th, 12:00 PM at the Saxeville Fire Station with an option to join VIA Zoom.

The meeting adjourned at 6:21 PM
