

## **Town of Saxeville Policy # 03-17-2025**

### **Town of Saxeville Cell Phone**

Board reviewed phone options that were researched for the new Clerk Treasurer, and whether to purchase a Town owned cell phone, instead of having the newly elected Clerk Treasurer's private phone published.

After review, motion was made by Supervisor Peterson and seconded by Supervisor Hansen to purchase a Samsung Galaxy A16 for \$150.00 and a one-year contract-free cell phone service plan for \$125.00 with TracFone as presented and have this phone be for Town use only. Upon voice vote, motion passed.
