

**TOWN OF SAXEVILLE POLICY #09-20-2021**  
**FIRE/RESCUE RESPONSE SECTION CHANGES.**

Supervisor Peterson made a motion to move the coverage line for each department one more row over as to including sections 3, 10, 15, 22, 27, & 34 in SSFD coverage and removing those sections from PSFD coverage, starting January 1, 2022. He suggested he did not want to cause relationship hardship between the two departments. Motion was seconded by Supervisor Hansen. Upon voice vote, motion passed.

Clerk would send each fire department a copy of the letter sent to the Waushara County Dispatch explaining the changes for everyone's records.
