

## **Using Branston Parish Council Website**

This website is run by Branston Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

## **How accessible this website is:-**

We know some parts of this website aren't fully accessible:

- the text won't reflow in a single column when you change the size of the browser window
- you can't modify the line height or spacing of text
- most older PDF documents aren't fully accessible to screen reader software
- live video streams don't have captions
- some of our online forms are difficult to navigate using just a keyboard
- you can't skip to the main content when using a screen reader
- documents on the website from 23<sup>rd</sup> September 2020 may not be accessible. New documents will comply and we are working to fix older documents.

The website will be accessible by May 2021.
