Unique Registration:

Margaret Rogers (SaddleBrooke Ranch) \$186 for Quarry Pines
 PGE is setup for one person registration. The questions: Ghin #, Food Option only applies to the person who registered.
 If PGE was set up for a multi-player team game, you could enroll multiple players. **This will be corrected manually by Joanne Oliver on the registration spreadsheet – it will not be corrected via PGE refund.**

What I have learned:

If I refund the whole amount, we (Kachina) lose the Credit Card processing fee. Partial amounts due to user error (Promo Codes) or Fee reduction to cover credit card processing - are just work and are flagged by PGE, a member of their team gets involved with the refund process. **Next season credit card processing will be added not included in player fees this way no PGE staff get involved with refunds.**

Discussion for the Kachina board: Credit card processing fees for registrant cancellation – Kachina to pay this cost to avoid PGE team members getting involved with refunds? The software is free, and we do not want to cause work! I recommend that Kachina pays – estimate of cost 4-8 cancellations an event \$20. Quarry Pines, Sewailo, Tucbac and SB Ranch events are in progress: Budget request \$80 to \$100. Constant monitoring the situation via this report. Promo Code (forgot to use) checks to be written by our treasurer and sent to the Host Club representative for distribution,

Training to use PerfectGolfEvent software for closing events. No one has stepped forward.

Manual needs revision

- 2024 Kachina Manual – it needs revision on closing procedures.
- Sue Crickmore has checked the bylaws and standing rules and can see no problems.

PGE training for Representatives - I am looking to recruit an assistant webmaster for closing events. Any volunteers? We can set a date at your home or mine.

Sandra Murray - Vacation: December 19, 2024 to January 6, 2025.
