

Kachina Website Report - 11/03/2024

Kachina Website: Kachinadolls.net

El Conquistador – OPEN REGISTRATION closed 11/03/2024.

- El Conquistador Final number (59/80)
 - 7 player spots sold OPEN REGISTRATION
 - Why the discrepancy from 10/27/2024 registration report?
 - The waiting list is counted on registration report even though they are invoiced with no golfer spots.
 - Refunds in progress are counted on registration report, until they are refunded (we had several).
 - To achieve a good head count:
 - (a) for the payments to golf course & catering. (to host event venue)
 - (b) Calculation of awards credits for winners (Jenni Long - treasurer).
 - Delete waiting list invoices.
 - Look for 'refund requested' on the golfer report (computer screen is clear) subtract from total.

Summary from ALL Kachina Tournaments registration reports (key: all registered/field size)

- Del Lagos (10/80)
- Quarry Pines (19/80)
- Sewailo (12/80)
- Tubac (5/80)
- SaddleBrooke Ranch (not open waiting further instructions)

What I have learned: Registrant reports are more important than golfer reports with individual registrations (I had only worked with team signups before). To simplify registration: turn off questions to golfer – keep questions to registrant (questions are food, allergies and Ghin#). Registrants who wanted to edit their request to substitute another golfer could not do so, due to only one player spot sold (the registrant is the player). Change the Kachina standing rule to “refund the registrant” in all cases up to No registration after date _____. Refund processing fees are not being charged if there are funds available in PGE. Note: only webmaster or treasurer can action refunds.

Discussion for the Kachina board:

Training to use PerfectGolfEvent software for closing events. The Board lives all over town Del Lago, Marana, SaddleBrooke. Jenni, Georgina, Lynne and Jane. (Renee as secretary, is excused.)

Finding a date to suit all is very hard, here are four dates (if necessary, I can train individuals):

- Saturday - 9 or 10 November.
- Sunday - 23 or 24 November.

Option for venue:

- SaddleBrooke: 65525 East Canyon Drive. 9:00 am training, lunch and golf pm.
- Forty Niners: (no need for golf, just a room, with HDMI cable and TV)
- Oro Valley: (no need for golf, just a room, with HDMI cable and TV)

Requirements:

- 2024 Kachina Manual – it needs revision on closing procedures.
- Computer if possible.
- Notebooks and pens

Open training for Representatives in January, I am looking to recruit an assistant webmaster for closing events.
