

VAPA Enhancement Program

All TK-12 San Diego Unified School District Teachers May Apply

Dear San Diego Unified School District Teacher,

The not-for-profit VAPA Foundation serves one purpose: to increase and enhance visual and performing arts learning opportunities in your classrooms and schools. The VAPA Foundation Board of Directors is pleased to open the **VAPA Enhancement Program** application for 2019/2020.

Who May Apply?

All TK – 12 teachers currently employed by and in good standing with the San Diego Unified School District may apply.

Please see the VEP Proposal Guidelines for details on project proposals and suggestions for how to make a potentially successful application.

Please do not request programs or materials likely to be covered in your school's budget. Only one application may be submitted per teacher. Our goal is to help you enhance arts learning by providing support for unique VAPA-related education and materials that are beyond resources available at your school.

Below you will find a link to the VEP application. Please read and answer each question carefully and completely. Incomplete applications will not be considered. Please note the following important dates:

Application Available online: By September 5, 2019

Program Application Due: October 4, 2019

Applicants Notified: By October 25, 2019

Projects should be completed by: May 1, 2020

(One exception: Educator Professional Development
may take place in the summer)

Required Final Report Due: No later than 1 month after completion of project/activity.

Access the Online Application

To review the guidelines and complete a VAPA Enhancement Program Application for 2019/2020 visit: <https://vapafoundation.org/fundingopportunities>

The VAPA Foundation looks forward to assisting you in your visual and performing arts education goals for the benefit of all our students. For questions, please contact Theresa Kosen, VAPA Foundation Consultant, at news@vapafoundation.org.

With great respect,

Larry Baza
VAPA Foundation President
