

Parkland Outdoor Show & Expo 2025
March 28-30, 2025 – Yorkton, Saskatchewan, Canada

We at the **Parkland Outdoor Show & Expo** are thrilled to announce our upcoming event, taking place from **March 28-30, 2025**, at the Gallagher Centre in Yorkton, Saskatchewan.

The Parkland Outdoor Show & Expo is a **100% non-profit, volunteer-run organization**. All proceeds raised during the event support youth archery, youth programs, and outdoor heritage initiatives within our community and province. Donations have included numerous school NASP program sponsorships, including equipment purchases, travel, and coach training. We have also made contributions to the local Wildlife Federations and, more recently, purchased and stocked a mobile archery trailer. This trailer is available free of charge to schools and archery clubs for training sessions and archery shoots. Our mission is to create opportunities for youth to engage in and appreciate outdoor activities.

In addition to supporting youth archery and outdoor programs, we also run a program called **Access to the Outdoors**. This initiative is designed to help youth with disabilities experience the outdoors. In previous years, we have partnered with local outfitters and businesses to offer accessible hunting and fishing opportunities. These trips have created lasting memories for children and their families.

None of this would be possible without the incredible support of our sponsors, vendors, and attendees. We invite you to join us as both a vendor and/or a sponsor for the 2025 event. Your support will help ensure that we can continue to fund and promote youth outdoor programs throughout our community and province.

For more information or to get involved, please contact Darren Wandy, President, or Nolan Johnson, Vice-President, of the Parkland Outdoor Show & Expo. We look forward to working with you and appreciate your support!

Thank you, and we hope to see you in 2025!
