

Bordetella (Kennel Cough) Agreement

Heartwood Doggie Daycare LLC follows the American Boarding Kennels Association recommendation requiring the Bordetella (Kennel Cough) vaccination semi-annually. However, vaccinated canines are still susceptible to various strains of the virus. The vaccines for Bordetella only cover a few strains of the virus.

I understand that although my dog is vaccinated against Bordetella, it is not a guarantee that my dog will not contract some form of the virus and will not hold Heartwood Doggie Daycare LLC responsible for any veterinary expenses.
