

## WCDMUN 2022

### Amendment Submission System

On average WCDMUN uses more than 8,000 pages per conference. This year we are attempting to cut down on our paper waste. So we're pioneering a new amendment submission system. All amendments will be submitted electrically via the conference website.

Please see steps below:

1. Search [www.wcdmun.com](http://www.wcdmun.com)
2. Click on "Committees 2022"
3. Select your committee (**please ensure you have selected the correct committee**)
4. Enter your country, resolution topic and your amendment
5. Wait and see if your chair selects the amendment for debate.
