

Stopping Noise Disturbances

In the City of Long Beach, California

Are your neighbors violating the Long Beach noise ordinance? (See Noise Control flowchart below this)

YES

Connect here with other nearby neighbors to help it stop.

NO

After speaking with your neighbors find appropriate department to help you with problem.

Make sure initial contact has been documented requesting noise disturbance stop

Work with other neighbors to file concurrent Small Claims Court "Private Nuisance" lawsuits if appropriate.

If excessive noise continues, report to both LBPD and Environmental Health with videos.

Get Environmental Health Department to send a noise disturbance letter monitoring address for one year.

Gather as many legal videos of noise disturbances as possible to prove excessive nature of noise.
