

A romantic wedding scene featuring a couple standing on a pebbly beach. The groom, on the left, is wearing a light grey suit and looking at the bride. The bride, on the right, is wearing a white wedding dress and has long, dark, curly hair. They are holding hands and smiling at each other. Above them is a large, circular arch made of a thin wooden branch, heavily decorated with white flowers and green foliage. The background shows the ocean and some rocky cliffs under a soft, overcast sky.

Simple, transparent and entirely your choice.

We source suppliers just as you would yourselves.

NO MARK-UP. NO HIDDEN EXTRAS.

You see the supplier's quote for your wedding and we don't add anything to it.

Already know your venue?

If you've chosen it but haven't booked it yet, it can count as one of your five categories.

Need more suppliers?
Extra supplier categories:
€125 each

What happens after booking?

Once a supplier is booked, ongoing communication comes back to you. If you'd rather we manage that too,

Full Planning is the next step.

WHEN YOU'D RATHER HAND IT OVER

You keep the vision and the decisions that make it yours.
We take care of the backstage.

You still choose the colours, flowers, food, music, atmosphere and all the things that make the wedding feel like yours. We make sure those choices actually come together.

We pick up what you've already done, fill in what's missing, chase what needs chasing and keep the whole thing on track.

WHAT FULL PLANNING ACTUALLY INCLUDES

From the first loose ends to the final supplier confirmations, we keep the whole plan together.

PLANNING & BOOKINGS

- Review and organise everything already planned
- Venue sourcing where needed
- Source and book remaining suppliers
- Manage suppliers you've already booked
- Keep track of planning deadlines and decisions
- Maintain the master planning spreadsheet

LOGISTICS & FINAL DETAILS

- Ongoing supplier communication
- Budget and payment tracking
- Detailed wedding-day timeline
- Supplier schedules and timings
- Event specifications and logistics
- Final confirmations and preparation for the coordination team

ONE PLAN. ONE POINT OF CONTACT.

Instead of keeping track of separate conversations with the venue, florist, photographer, entertainment, transport and everyone else, we bring the information together and keep everyone working from the same plan.

WHAT DOES FULL PLANNING COVER?

The starting fee covers one main wedding celebration with **one ceremony and one reception**.

Welcome dinners, farewell brunches, multi-day celebrations, extensive guest logistics or particularly complex weddings can also be planned, but are quoted separately.

WHY "FROM €2,500"? - Weddings vary. Once we know the size, destination and what's already in place, we confirm your full planning fee before you book.

WHEN YOU WANT US THERE TO SEE IT THROUGH

We don't just build the plan.
We stay to make sure it happens.

FULL PLANNING + WEDDING DAY LEAD - from €3,250

For couples who want the planner who knows their wedding inside out to be there on the day, leading the team and keeping everything on track.

*YOUR JOB IS TO GET MARRIED.
OURS IS TO KEEP THE DAY MOVING.*

WHAT THIS ADDS

- Everything included in Full Planning
- Your wedding date reserved and your lead planner there on the day
- Supplier, timeline and coordination-team oversight
- Troubleshooting and decisions as they happen

COORDINATION TEAM

The number of coordinators and hours needed depends on your guest numbers, venues, set-up and logistics. **Coordination staff are quoted separately and shown clearly in your wedding budget.**

Subject to date availability.

Travel and accommodation are quoted separately where required.

Know what kind of venue you want, but not where to start looking? We can take the search off your hands.

Ceremony **AND** reception venue search - **€450**

We research suitable options, gather the useful information and pricing, help you compare them and assist with securing the venue you choose.

Already know exactly which venue you want?

You don't need venue sourcing. If you simply need us to contact the venue, gather the details and help secure the booking, it can count as one supplier category within Planning Support.
