

Greetings!

For my clients who live outside of Ontario on a permanent or even temporary basis, and have assets there, I always recommend a Will specifically limited to their Ontario Assets as well as a Second Will prepared in the jurisdiction where they reside outside of Ontario, limited to their Assets there.

My Friends at [Hull & Hull LL.P.](#) in a recent [post](#), detailed, the nuances of making a will in Ontario, a Commonwealth country, or a non-Commonwealth country to ensuring that your assets are managed and distributed according to your wishes. Should you be living abroad and these circumstances apply to you, please [contact](#) me to discuss your particular needs.

At the [Offices of Howard S Dyment](#), I can guide you through the intricacies of estate planning and ensure that your assets are distributed according to your wishes, in the most financially prudent manner.

I invite you to [set up a Zoom](#) appointment with me to discuss your Estate Planning and drawing your Will in Ontario and what you must know to draw your Will for your assets outside of Ontario.
