FROM THE MANAGER'S DESK

March is here already! Many of you will be leaving at the end of this month, so we have a few reminders in this newsletter on things to check before you leave.

We will continue to hold outdoor events during the month of March and will be holding two Pub Picnics again to accommodate everyone who wishes to attend. Remember we post events on our website under the tabs "Today at RCR" and "Upcoming Events". If you want to stay in touch with goings on in the park, you can check our website, our Facebook page, or receive blast emails during the summer.

If you are planning improvements on your site or park model, be sure to get them pre-approved before you start work. You can start scheduling work for April. We thank you for holding off on doing improvements for these past three months. It made the season much more pleasant for your neighbors.

We will once again be leaving a form in your mailbox for mail forwarding. You can make sure we have your correct email on that form also. Remember we only forward about 30 days after you leave, so make sure you get in touch with your post office as soon as you get back, and if you had been forwarding to RCR, stop it so the mail comes back to you. It can take up to two weeks for that process to stop, and we will forward (first class mail only) mail and packages to you.

This past 12 months has surely been interesting, but I think working around the COVID restrictions has caused us to explore some new things, and some new ways of doing things in the park, and that will just enrich the experience as we go forward.

We do not know as yet if we will be having a Concert series next year, but if it is a go, we will sell tickets in the late fall, and you will be able to purchase them even if you are not here on property.

I think Annie has done a wonderful job navigating through guidelines and restrictions to bring you the best "season" we could. It was good to see all of you that came back this year, and we missed those of you who couldn't come back this past season.

Safe travels to all of you, and we will hopefully see EVERYONE back again for a blockbuster season next year.

Save Our Shade (SOS) is the committee seeking support to Maintain the natural beauty of Royal Coachman Resort by planting trees, as the Current stand throughout the park is reaching the peak of its maturity. The Group is Composed of **JAN BEAL, ALLIE FALANDES, KAREN GODBOUT, COLLEEN TRUESDELL, and SHEILA FAGAN.**

SOS ON THE MOVE!

The SOS committee is very excited by the interest and support shown for our efforts by the people and organizations in the park! We have 14 new trees in the ground, being watered and watched over by a wonderful group of volunteers! Daily watering is so important in establishing new trees and we are loving the work of our outstanding caretakers: Phyl and Dyke Heinze, Karla and Wayne Norman, Jane Haley and John Gates, Deb and Dick Forkey, and our friends Ed, Bob, Mary Ann and Wayne in the campground. Thank-you so much! So far we have planted Slash Pines and Live Oaks but hope to expand our repertoire soon. Thanks to the generosity of our donors, our next order is in the works. There's a new tree coming to a spot near you soon! We will be looking for more volunteers to help with watering, so let one of us know if you are interested in joining us. We are continuing to be out at the parking lot by Mail Room joining - Dusty's Produce Truck on Thursdays from 11:00-1:00.

We are so thankful for the generous donations made to our efforts by the people and organizations in the park. Many thanks to the Tennis Club for hosting the tennis marathon and sharing their spotlight and proceeds with us. It was a great day for all of us! The Computer Discussion Group has made a very generous donation to SOS and we are so grateful for their recognition and support. Special shout out to Pat Lang and her army of volunteers for their work in running the 50/50 raffle at the Pub Picnics and donating the proceeds. Thanks to Annie for her enthusiasm and continuing support, getting us involved with Dusty's and the online exposure. We appreciate immensely the work put in by Donnie and his crew helping to locate and plant the trees we are buying you guys are great! Thank-you Terry Ludban for inviting us to speak to the Advisory Board, providing yet another chance to get our message out! Finally, we are awed and humbled by the generous donations made by so many of you special people in this park! You have bought our buttons, purchased trees, participated in the various fundraising activities and continue to make general donations. You have responded in a huge way and we are so happy to have so many of

you on board with this project! It is extremely gratifying to see this come together and watch the new trees actually go into the ground. Yes, the trees are the key to our wonderful setting here, but we all know that the people are what make this place truly special!! **Heartfelt thanks to all of you!**

BEFORE YOU LEAVE:

Water shut offs to park models: We will not be shutting off water at the posts this year. If you wish to shut the water off to your park model, you should have a shutoff installed at your site. We recommend you install it in a place out of the sunlight, use a brass ball valve, and take the handle off when you leave for the summer, so no one can turn it on while you are not there.

Leave your place storm ready: Make sure that any items that might fly are stowed away safely inside your park model. This includes hanging plants, yard art, chairs, and bicycles. If you cover a car or a golf cart with a tarp, please understand that gallon bottles of water will not keep the cover on through the summer thunderstorms let alone a big storm. If you have a Plastic/Rubbermaid type shed, you might want to put a bungee cord or tie a rope around it. Those doors will fly off if the wind hits them just right. We highly recommend you hire a house watcher who can check your place regularly. We have a list of those who provide this service in the office. If your AC goes off, your get a leak in the roof, etc., and it is not caught right away, you could have a serious mold problem by the time you come back.

Remember that we will mow your lawn and weed whack while you are gone, but we do not take care of your planting beds, so if the weeds get unsightly, I will be emailing you!

Mail Processing: We will have you fill out a forwarding form for us before you leave to make sure we have the correct address to forward your mail. First class mail gets forwarded as do packages. We will typically forward your mail for 30 days after you leave. If you are a full time RV'er who will not have a fixed address this summer, let us know and we will accommodate you. Make sure you take the forwarding off your mail at home as soon as you get there, or the mail goes in a never-ending loop from there to here and back again.

Renting your place over the summer: If you rent your place out during the time you are not here, please make sure that they check in when they get here. We need to know who is here.

Kayak Storage: If you are leaving the property until next season, please take your kayaks off the racks and put on your site next to your park model, or better yet, inside your lanai. We use those racks for our summer RV'ers and we don't want to have to worry about them in a storm.

Staying in contact while you are gone: If you are not getting my blast emails and want to get the summer updates, make sure your email is on your forwarding form and I will add you to the list. Also, it is good to read the newsletter when you have a chance. You can contact me directly at any time at Royalcoachman_mgr@Equitylifestyle.com.

Enjoy your summer, and we will see you again in the fall! Bev Malouin, Manager

Really Cool Gadget

By Karen Post

Do you know how cool your hearing aids are? I mean really, really cool.

This is the coolest gadget you can wear. It not only helps you listen to the people in your life, it also listens for you. It hears the hum of the AC in your car and softens this noise. It listens for the wind and takes that noise away. It listens for voices and amplifies them, so you hear the people around you.

The new "smart" hearing aids determine sound quality in the room you are in and provide automatic adjustments. If you are in a small room and adjust the volume for louder sound, your hearing aid will remember this. After a few times of this same action on your part, your hearing aid will automatically provide sounds at the louder volume in these settings.

Imagine you drive to our office to see Blair. While you are in your car, your hearing aid is using a program to soften mechanical sounds and amplify voices. As you step out of your car and the wind tousled your shirt, your hearing switched to a program that softened the noise from the wind. Then when you entered our office and the doorbell dinged, your hearing aids changed into its primary program and began looking for voices to amplify.

When you walk down the hallway and step into Blair's office, your hearing aid switches again to decrease any echo sounds that occur in smaller areas. As I mentioned in the beginning of this article, if you repeatedly upped the volume in smaller areas, your hearing aid will automatically increase the volume to your preference.

Overtime, this hearing aid learns what you prefer in different settings and will help you hear without having to fiddle with buttons.

This little device that hangs on your ear all day listens intently, to give you the sounds you want and squash the sounds you don't want, so you hear clearly in conversations.

If you are interested in trying a really cool smart hearing aid that works to help you hear better in any situation, call for a free demo.

ADVISORY BOARD CORNER

Terry Ludban – Advisory Board President

The RCR Advisory Board held their Monthly meeting on Tuesday, February 9th, 2021.

Much of the meeting centered on security and safety. It appears that the security issue may be taking a turn for the better as the Sherriff's office is making progress concerning the issue of stolen items in the park. Residents are reminded that locking bikes, cars and houses will help keep your property safe. Outside lighting is also helpful.

The Citizens patrol is up and running again. Thanks to Chief Misner for organizing the patrol. More volunteers are always welcome!!

And back to lighting, Board members continue to receive reports of walkers and bike riders out at night with no lights or flashlights. This is a basic safety issue. When you are out at night, "LIGHT IT UP"!!

The Board held election of officers for the coming year. They are;

- President. Terry Ludban
- Vice president. Jane Kirwan
- Treasurer. Bruce Hummel
- Secretary. Dick Snyder

Thanks to all Board members for volunteering their time and efforts. Thanks also to those who attended the annual meeting in January. Lots of information was shared and we are always open to suggestions.

RCR SENIOR GAMES

BY: GREG COLES

PAST

In January 2001 former resident Hal Scott started the first RCR Senior Games. He had been active in senior games in Illinois for several years. What started as one person's idea with eleven events over five days has become a multi week effort with 46 events ranging from badminton to whiffle ball toss. Participants are separated into four age groups; 50s, 60s, 70s and 80+ and any participant can register for as many events as they like.

PRESENT

The current RCR Senior Games occur every February starting with pickleball and golf, followed by tennis and horseshoes during week 2. The vast majority of the games begin in week three with a Fun & Fitness Walk and more than 42 other events, culminating with a bocce ball grand championship game between the men's and women's champion teams. This year the annual closing banquet has been cancelled due to challenges with social distancing for such a large number of participants (245 this year, 375 the past two years). We anticipate having increased participation and our annual Senior Games Banquet again in 2022.

FUTURE

For the past many years, the Senior Games has been managed by Bill Maier, with the assistance of Chuck and Carol Genrich, and Bob and Joyce St. John. We owe them a debt of gratitude for their years of service, as they complete their time of leading our Senior Games. We are also grateful to all of the volunteers, coaches and athletes who make these games possible. This year we welcome the new Committee Members for our RCR Senior Games: John McMahon, Jane Getz and Greg Coles.

Would you like to be part of our new Senior Games Committee? Some possible team roles might be organizing the banquet, T-Shirt design, equipment maintenance & distribution, team photographer, writer for the Macaw... possibilities are as endless as your interest & imagination. **If you are interested in joining our Senior Games Committee for 2022 please contact John McMahon at 816-726-9479.**

CONGRATULATIONS! WELL DONE!!!

A HOLE IN ONE!

The round began as usual, four friends out for a game of golf. By the time they reached the ninth hole of Gleneagles at Waterford, their thoughts were mostly on the beer & pizza awaiting them after the round. MARICA KIEF stepped up to the tee, a short 100 yard par 3, selected an eight iron and LET IT FLY. The other three players, Gina Haisley, Lori Ledin, and Joyce Janquart watched. Gina yelled – “it’s going to be a HOLE IN ONE”!!!! Then the whooping began. IT WAS AN ACE, Marcia’s first ever! What a great day!!

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*

ANNUAL RCR FUN DOGGIE SHOW!

(see more photos on the back cover)

With a Yip and a Yap and howls of laughter we had our **Annual RCR Fun Dog Show on February 6, 2021**. Starting out with a **Parade of Breeds**, owners brought their dogs on stage and introduced their dogs and themselves. Following the Parade of Breeds, we started with our **Costume Class** with Deb Forkey with Zoey, winning 1st place blue dressed a Ruth Bader Ginsburg.

Trick Class followed with Lora Lazur's Scout taking first with his Yoga and Dancing, followed by Zoey's dancing act and Ed Martin's two dogs Duke and Phoebe with begging and "leave it."

Obedience played a hand in the **Heel and Sit Class** won by Scout (Lora Lazur) with Louie coming in second (owned by Dale and Barb Dorgan), 3rd went to Crosby (shown by Kennedy Hiebel), 4th going to Zoey (owned by Deb Forkey) and Suzie (owned by Sherry Halsey.)

Sit and Stay Class was won by Crosby (shown by Kennedy Hiebel), followed by Louie in second place, Scout in third, and a tie for fourth between Suzie (Sherry Halsey) and Jake (owned by Mike and Denise Hill).

For the Down and Stay Class – Louie (owned by Dale and Barb Dorgan) took first place blue, followed by Crosby (Kennedy Hiebel), Jake (Mike and Denise Hill), with a 4th place tie between, Suzie (Sherry Halsey, and Scout (Lora Lazur).

Come Class brought out 9 contestants, all vying for that 1st place blue. First place went to Scout (Lora Lazur), 2nd Moxie (owned by Ginger and John Gagar), 3rd Jake (Mike and Denise Hill), 4th to Louie (Dale Dorgan), and honorable ribbons going to Ed Martin, Kennedy Hiebel, a Sherry Halsey, and Deb Forkey.

Fetch Class brought lots of laughs as Gene Martin's dog amazed the crowd by retrieving 3 balls from their original spot one at a time. 2nd place was a tie between Deb Forkey's Zoey and Moxie who both would still be fetching today. (LOVE THAT BALL!) 3rd place went to Crosby, who said "Once is okay, after you pay." 4th place went to Lucy who decided to do the Indy 500. Everyone was in stitches and Kennedy finally made the tackle.

Our Largest Dog was Jake a beautiful yellow Lab (owned by Mike and Denise Hill), followed closely by Crosby a Bern doodle, shown by Kennedy Hiebel.

Our Smallest Dog 1st place went to Suzy, a teeny Yorkie (owned by Sherry Halsey), 2nd Lucy, a snoodle (owned by Susan Marino), 3rd to Louie (shown by Barb Dorgan), and 4th to Moxie (shown by Ginger Gajar)

Waggiest Tail Class brought lots of laughs with owners trying to make their dogs wag for the audience. Ginger Gagar's Moxie took 1st place, followed by Jake 2nd, Louie and Coffee (owned by Chris Rice) tying for 3rd.

The Barkiest Dog- 1st place went to Ed Martin's dog Duke, with honorable mentions going to Phoebe, and Lucy. When you want them to bark- they don't want to.

Our last class was **Dog who came from the farthest-** 1st place blue going to Suzy owned by Sherry Halsey from Wisconsin, followed by Crosby from Toronto, Canada receiving 2nd. 3rd place ribbons going to Coffee and Lucy (Susan Marino) from Maine, and a tie for 4th place between Louie (Barb Dorgan) and Scout (Lora Lazar) both from Michigan. (continued....)

A special thanks to all those that helped out- Vi Corning, Marilyn Martin, Kennedy Hiebel, Mike Rhine, and James (Donnie's crew) and of course Annie. Also 1st place gift cards from Subway, and lots of goodies from Pet Smart, and Pet Co.

Thanks for all your support! See you next year, same time!
