

Dear Valued Community Member,

Summit High School Boosters is a parent run, non-profit organization that supports the students and educators of Summit High School. With over 70 sports, clubs and activities, we have a long history of amazing community, fan and spectator support. This creates access to thousands of students, parents, family members and alumni who live and work in Central Oregon. Boosters would like to provide your business with an opportunity to get in front of this captive audience while supporting our school through our sign and banner program. Advertising in our venues with a sign or banner has the potential to increase awareness and generate additional revenue for your business.

When you partner with us and become a SHS Boosters Sponsor, you are helping to enrich the lives of our students by contributing to things such as grants for athletics, clubs, activities, classrooms, art and music programs, FAN support, staff appreciation and more! You can even choose where your dollars go! In the past, we have been able to give over \$42,000 in sign and banner proceeds to sports teams and clubs, granted over \$1,500 to FAN, contributed \$3000 toward staff appreciation activities and provided over \$2,000 to clubs specifically created to make all students feel welcome and support school spirit. With recent budget cuts affecting all departments and programs this year, your support is even more important to help bridge the funding gap.

Attached is our sponsorship information and form. We hope you will look over the many options and choose one that works for you. Information can also be found at <https://summitstormboosters.org>. Don't forget to follow us on social media @summitstormboosters. Thank you for considering a partnership with us. Your donation of any amount is greatly appreciated. 'Sko Storm!

With Gratitude,  
Your Summit Storm Boosters
